

Roberts, Robert J.

**URGED TO KEEP DRAFT  
RECORDS UP-TO-DATE**

**SEP 10 1942**

**Reclassifications Depend on Timely  
Statistics.**

Draft eligibles were urged today by the Bethlehem U. S. Selective Service Board No. 2 in the Bethlehem Trust Building to keep their draft registration data up to date, especially regarding salary and job changes.

The request was made, it was said, because of the large number of changes in this data brought out in reclassification hearings, according to Miss Dorothy Parker, acting chief clerk.

On Tuesday evening, E. H.

Thevenet, acting board chairman, presided at the meeting. Attending besides Mr. Thevenet were Earl A. Ziegenfuss and James A. Egan.

In a letter to the board received Tuesday, Sergeant Robert J. Roberts, 811 North New Street, this city, stationed "somewhere in Australia" said he would like to know of some other Bethlehem men in that field. He said he had met one Easton resident and one from Fogelsville.
