“

# WHAT *matters* MOST?

In most cases, answers to this question often correlate to what's most important in a *person's life at that present moment.*

Does that mean the present is important too? Alice Morse Earle once said, "The clock is running. Make the most of today. Time waits for no man.

*Yesterday is history. Tomorrow is a mystery. Today is a gift.*

That's why it is called the present."

*Live in the present and embrace each moment*

as it happens. Enjoy life, be strong, smile, make a difference!

The present is just the beginning of your future.

The *time* is now!

”

# WHAT MATTERS

*The future*

**MOST**

**ELEANOR ROOSEVELT** once said,

"The purpose of **LIFE** is to live it, to taste experience to the utmost, to reach out eagerly and without fear for *newer* and *richer* experiences."

You don't always need a life plan.

Sometimes the best approach to life is to **BREATHE** *trust*, **LET GO**, and see what happens.

Enjoy the **LITTLE** things, because one day you will look back, and realize they were the *big* things.

Life isn't about waiting for the **STORM** to pass, it's about learning to *dance* in the *rain*.

Do what makes you *happy*, be with who makes you **SMILE**, and **LOVE** as long as you live.

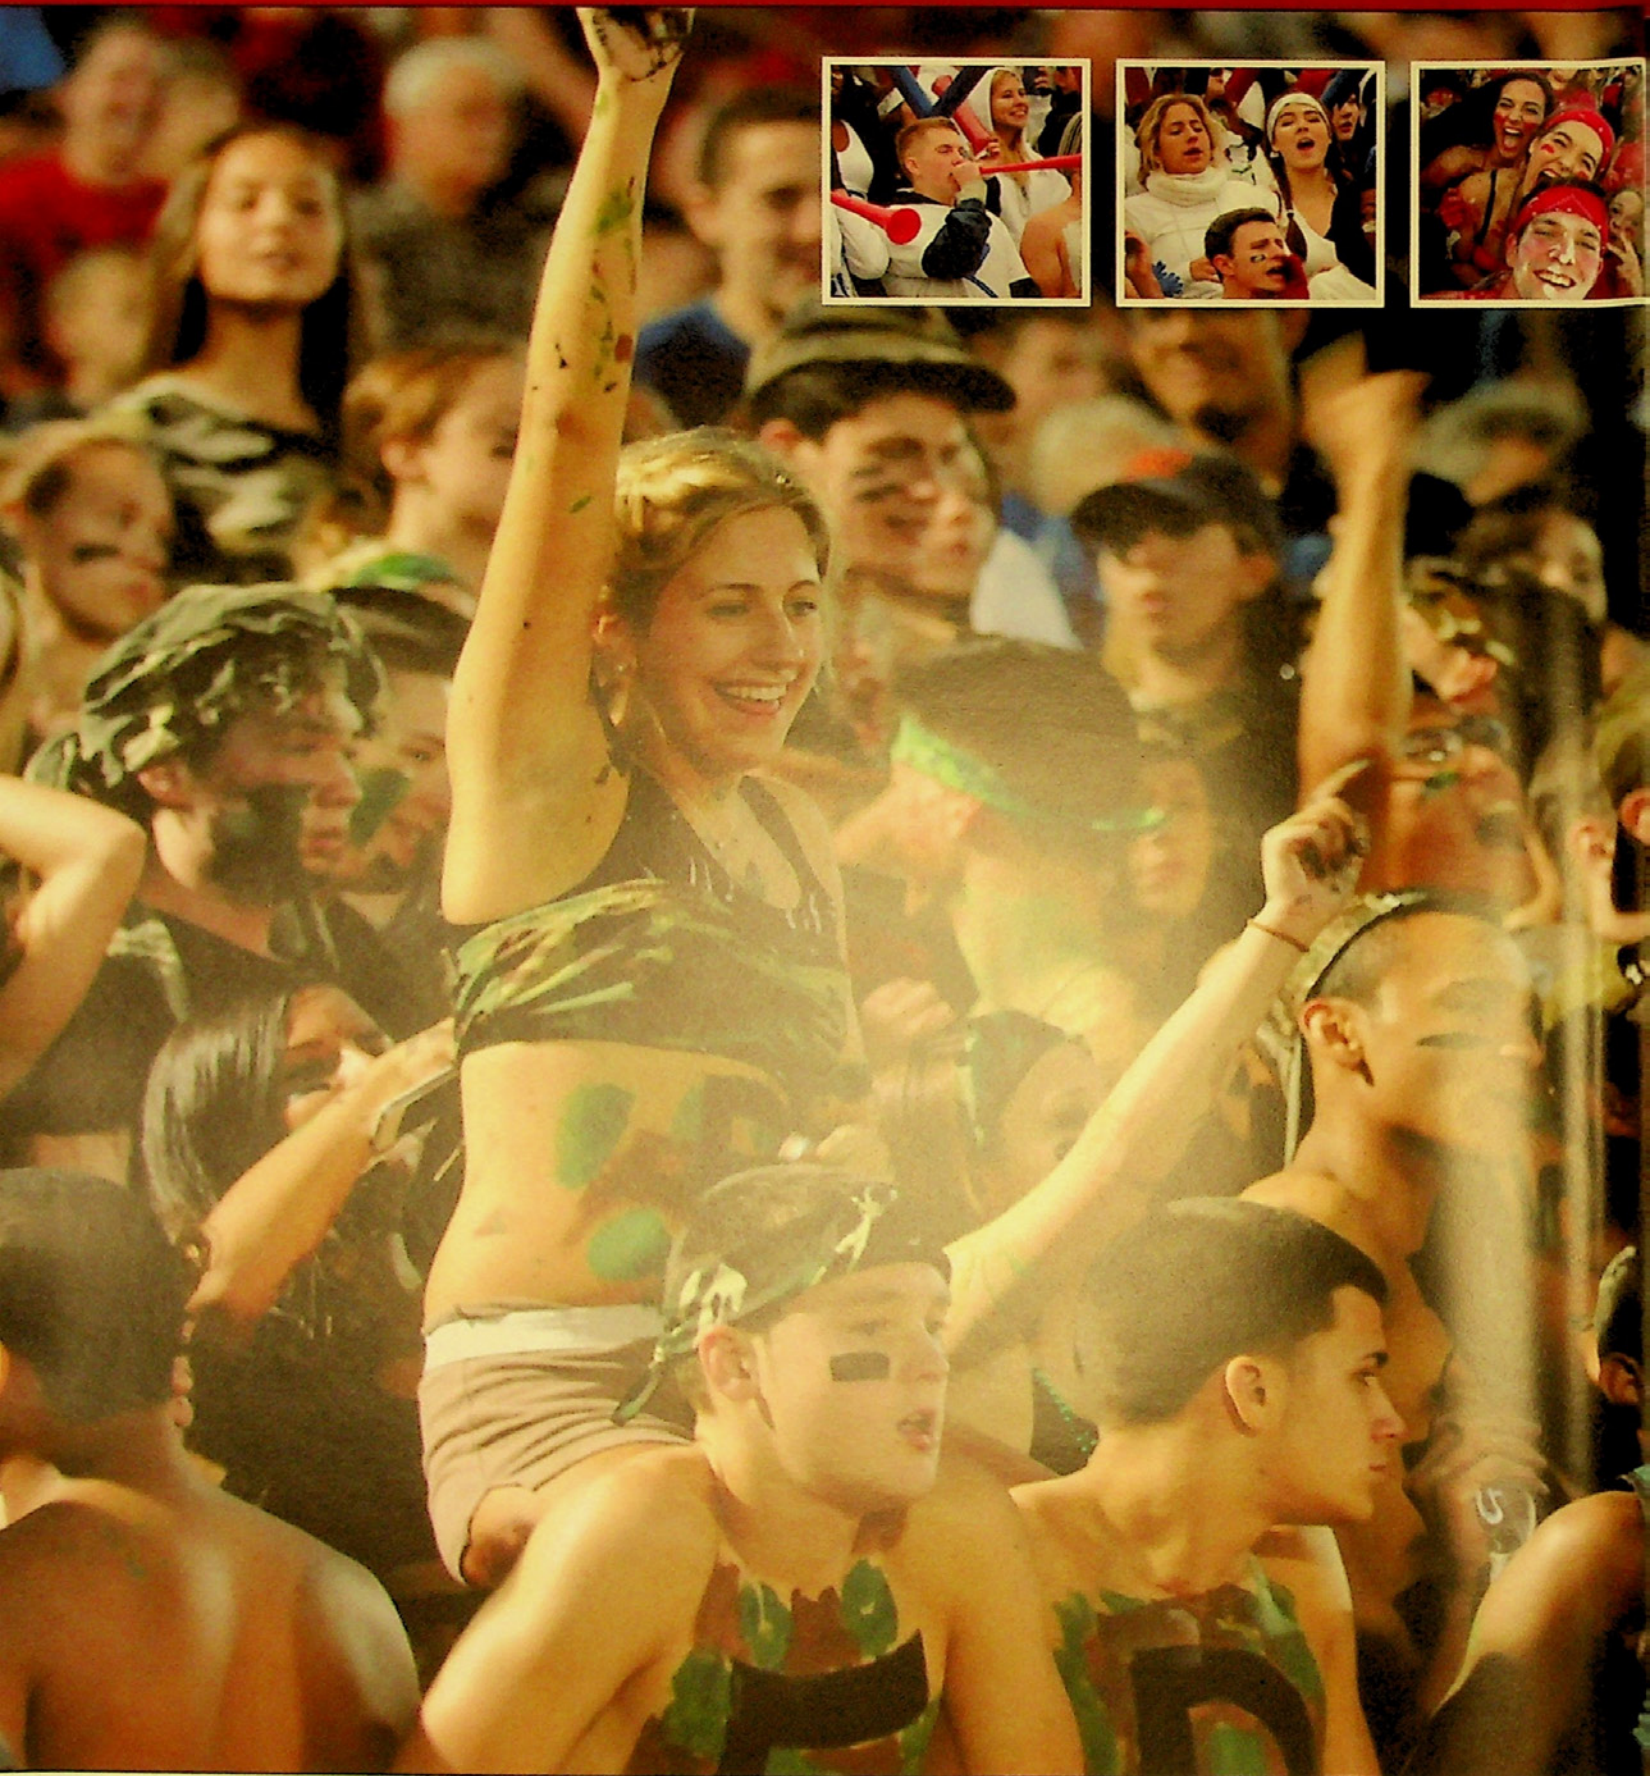

**DARING ADVENTURE**

**WHAT** *minute* **MOST**

*It is that you...*  
**ENJOY** *life*

"I loved category 6 this year because everyone had so much *energy*"  
-Sam Peterson, junior

# liberty FOREVER

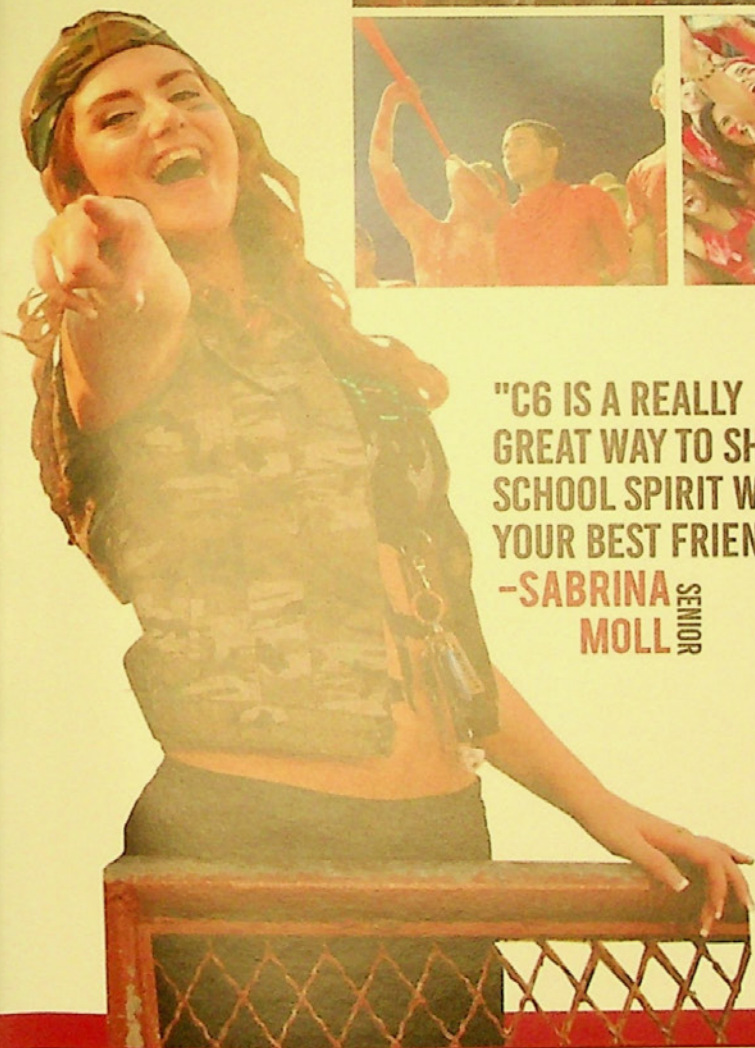

scream & shout

With the excitement of a new school year comes anticipation for the famous Category 6. Participating in the crazy-fun student section at Liberty is a highlight of a student's high school career. Painting up behind the stadium and crowding together with

your friends to cheer on the school are just a few ways students display their school spirit through Category 6. Even if the football team loses a game, everyone still has fun coming together to cheer on the team.

"I LOVE CATEGORY 6 BECAUSE IT SHOWS WE ALL CARE ABOUT SCHOOL SPIRIT"  
-MARY KATE SHEPLOCK  
JUNIOR

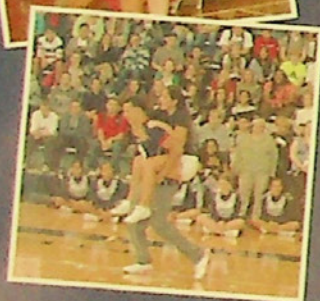

"C6 IS A REALLY GREAT WAY TO SHOW SCHOOL SPIRIT WITH YOUR BEST FRIENDS"  
-SABRINA MOLL  
SENIOR

"The energy and *enthusiasm* brings us all together"  
 -Amanda Rivera, Senior

## SENIORS

"LIBERTY PEP RALLIES WILL ALWAYS BE SOMETHING I WILL MISS AFTER GRADUATING."  
 - IZAIAH AVENT  
 SENIOR

## JUNIORS

"WE REALLY LIKE THE PEP RALLIES! THE DANCING IS THE BEST PART. IT'S JUST AN OVERALL ENJOYABLE EXPERIENCE."  
 - ANTHONY TORRES PEDRONUNEZ  
 JUNIORS

## SOPHOMORES

"PEP RALLIES ARE A POSITIVE EXPERIENCE FOR EVERYONE IN THE SCHOOL TOGETHER AND SHOW THEIR SCHOOL SPIRIT."  
 - JADEDALLAM  
 SOPHOMORE

## FRESHMEN

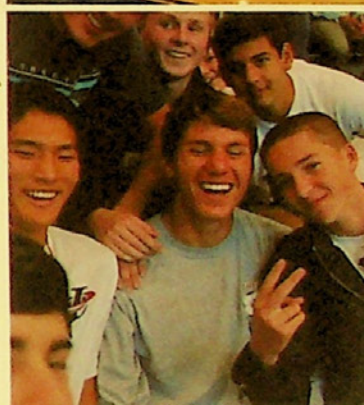

"FRESHMAN HAVE A LOT OF SCHOOL SPIRIT BECAUSE WE ARE TRYING TO FIT IN WITH THE REST OF THE SCHOOL."  
 - MOLLY DAVIDS  
 FRESHMAN

# PEP in your STEP

School Spirit is Alive and Well

## SCHOOL SPIRIT... IT MATTERS

Something that makes Liberty unique is the sense of family within the student body. Pep rallies are one of the main events where students can take their pride and love of their school and turn it into an energetic event.

## be LOUD&PROUD

**Mckenna Clearie, Sophomore**  
 "I think pep rallies are so exciting to be a part of and to go to," commented McKenna. "They give me such a positive attitude about my school, and they really show a lot of spirit and enthusiasm for the Liberty community."

**Nate Keyock, Senior**  
 "I liked making skits with Ryan Brong and the pie hitting my face was a last minute decision on Ryan's part," Nate commented of the events of the Freedom-Liberty football game pep rally. "Taking the microphone and speaking in front of the school made me very nervous but I had a great time."

**Dakotah Lopez, Sophomore**  
 "I like being a part of pep rallies," remarked Dakotah, a member of the cheer-leading team. "I get this rush of adrenaline when the band starts to play and I have to perform. Pep rallies just have this source of high energy that I love so much."

"Homecomings at Liberty are always the best way to *kick off* the school year!"

**-ALEXIS MATOS, SOPHOMORE**

**HOMECOMING** is a night full of music, dancing, and fun. This year was the first year ever having the dance in the Auxiliary Gym. "The decorations were really nice. I was impressed. Having homecoming in the gym this year was a much better idea than having it in the cafeteria. There was more space to dance and it wasn't as crowded," stated senior Destiny Jarnigan. Another senior, Rashona Tompkins, said, "Usually I don't like going to dances but this year's homecoming was really fun." The feedback of most of the students that attended homcoming shows it came off as a big success.

**KING** Jesse Garin

# burning TRADITION

layout and copy by Celine M

An annual event presented by Liberty students and staff, the bonfire was once again lit on the hill of our baseball field. We had many events lined up in order to entertain our guests, including the traditional Sexy Senior procession that featured our Varsity Football players. Louis Csaszar, our 2015 Sexiest Senior, commented on his win; "I was very honored to be one sexy senior." He had initially voted

for a fellow teammate, and was surprised to win. These fortunate football players were dressed up by our Liberty cheerleaders, who they also had a blast dressing them up as well. Senior Kristin Younes remarked; "It was fun dressing up the [senior football players] for the sexy senior contest. Overall, it was a fun-filled night for our students, staff and alumni, and they can't wait to host more in years to come."

Senior football players had the opportunity to battle it out for the title of the **Sexiest Senior**. Here is what they had to say about it...

**1** I am very proud to keep tradition going.. it was uncomfortable, but then I realized it was for the fun.

**2** My dress was really tight, so it was kinda hard [wearing women's clothing].. I didn't decide what to wear, they [cheerleaders] just put it on me.

**3** It was surprisingly easy [wearing women's clothing]! I did have a lot of fun, and I would do it again depending on my mood.

**4** Although I had fun, I wouldn't do it again.. The cheerleaders gave us our clothes, and it was very uncomfortable, hard, and somewhat embarrassing.

**5** I would recommend this to the boys next year because it's fun, and it's something you will never forget. It was uncomfortable since everything was all out.

**6** It was a good time [dressing up], it eased the tension in football as well. It [clothes] wasn't hard to wear, but it was hard to get into and I ripped the dress.

**7** Since it's tradition, I would do it again.. It was pretty uncomfortable; I had to run off stage and it felt awkward.

**8** [Wearing women's clothing] didn't bother me at all.. The [cheerleaders] dressed me up and the event was fun.

**9** I wore the [women's] clothes for fun. It was pretty uncomfortable and it was cold out.. But it was a fun experience regardless.

LIBERTY  
HIGH SCHOOL  
LHS  
Recognizes  
World Peace  
Day

with  
pinwheels  
for peace

# peace on EARTH

layout & copy by Celine Mahadeo and Lisa Gilliard

On September 21, 2014, students and staff gathered outside of Liberty High School to formally recognize World Peace Day. Using pinwheels as a sign for peace, Studio Art students and several other classes pitched in to make roughly 200 pinwheels for this event.

At the conclusion of passing out the pinwheels, freshman Yasinia Agosto presented John Lennon's song 'Imagine'; "I was appointed by Mrs. Landis to read the poem . . . it was an honor to do so."

## WORLD *Peace* DAY 2014

"IMAGINE" - JOHN LENNON

Imagine there's no heaven  
It's easy if you try  
No hell below us  
Above us only sky  
Imagine all the people  
*Living for today...*

Imagine there's no countries  
It isn't hard to do  
Nothing to kill or die for  
And no religion too  
Imagine all the people  
*Living life in peace...*

Imagine no possessions  
I wonder if you can  
No need for greed or hunger  
A brotherhood of man  
Imagine all the people  
*Sharing all the world...*

You may say I'm a *dreamer*  
But I'm not the only one  
I hope someday you'll join us  
And the *world* will be as

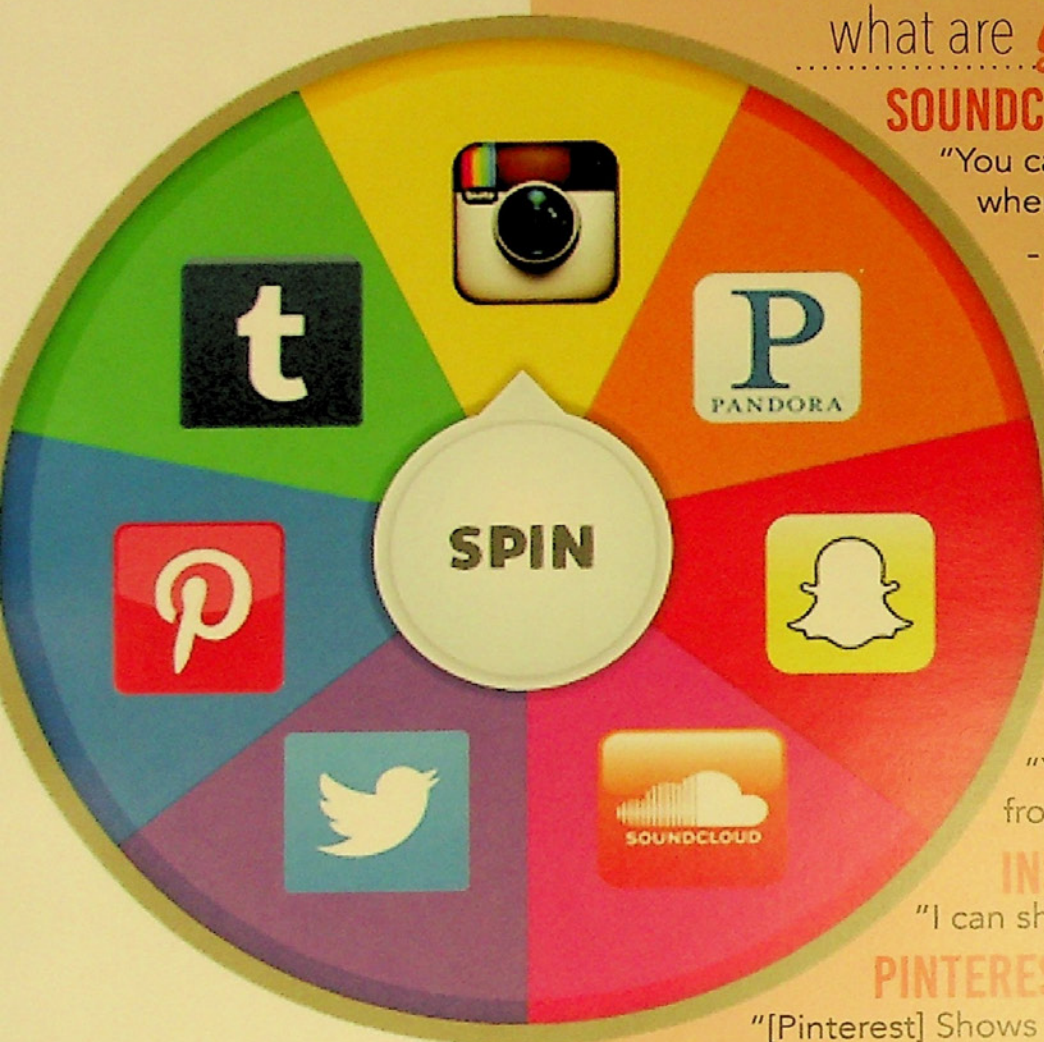

**WORLDPEACE FOR ALL** Led by art teacher Mrs. Heidi Landis, several classes joined together on a bright sunny morning to place their custom colored pinwheels in the shape of a peace sign on the front lawn of the school. Held together with a pencil, the pinwheels spun in the wind as students gathered around the outer edge of the peace sign to hear a poem read by Yasinia Agosto.

## ALS *ice bucket* challenge

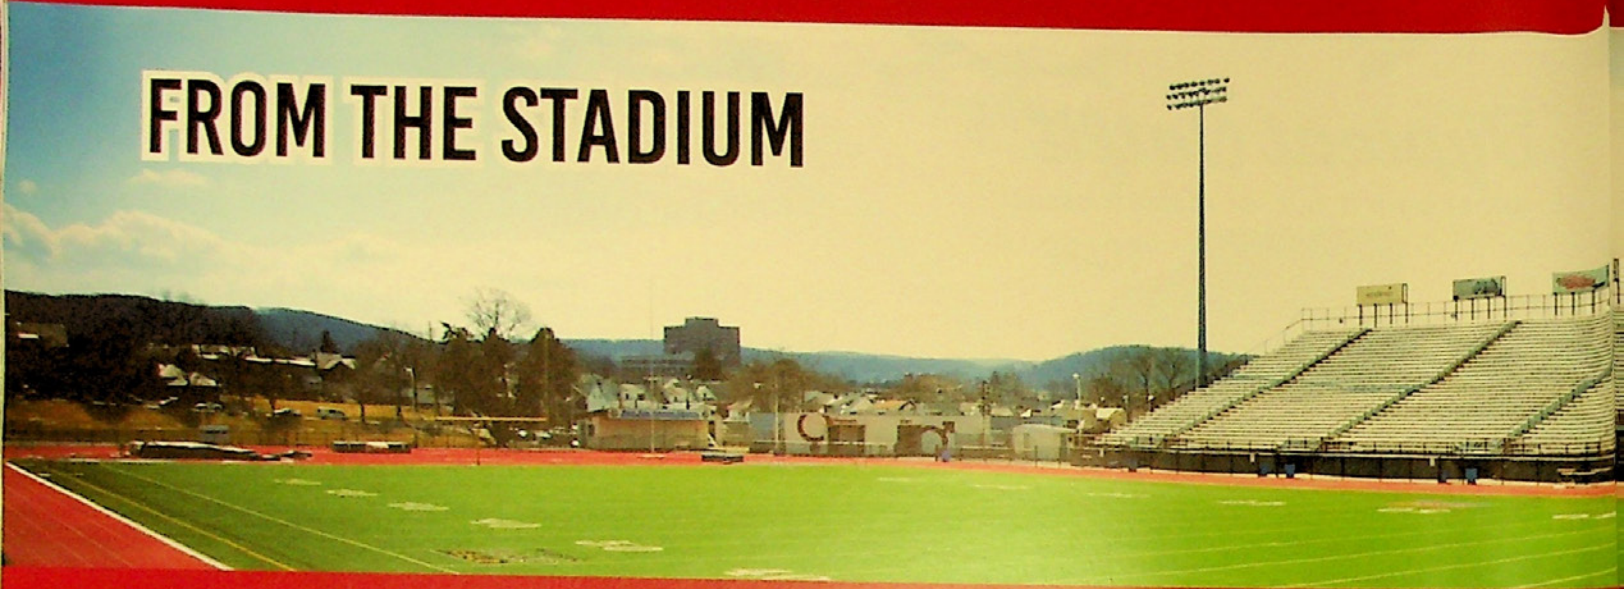

What is **ALS**?  
ALS, or amyotrophic lateral sclerosis, is a progressive **neuro-degenerative disease** that affects brain and spinal cord cells; Muscles are not properly nourished and slowly waste away.

What did **WE** do to help?  
On Twitter, LHS put out a tweet stating that our principal, **Mr. Bailey**, would donate and do the Ice Bucket challenge at an upcoming football game, granted that the tweet got 1,000 retweets. Of course, our students delivered.

# a different PERSPECTIVE

*it's all how you look at it*

## Did you know...

- Twins are twice as likely to be left handed.
- Twins can be born months apart from each other.
- Twins can be the mirror opposite of each other including one being left handed and the other being right handed and have the same moles on the opposite sides of the body.
- Conjoined twins can see the same things and hear each others thoughts.
- If a pair of identical twin brothers marry and have children with identical twin sisters, their children would legally be considered cousins but genetically be full siblings since their genetics would be very similar.
- Twins don't have the same finger prints.
- Twins can be different races.
- Nearly half of the twins invent their own languages.
- Even if twins are separated and adopted by different families most times they aren't far from each other and still do a lot of things the same.

"Our mom knows the difference between us but it took longer for our dad to figure it out, sometimes he still doesn't know!"

-Abigail & Clare Brossman

"It's good being a twin. It's nice having someone to talk to for advice for guys and girls."

-Kimberly & Kevin Liedel

# seeing **DOUBLE**

layout & copy by Dayna Walck

How would you feel about being a twin? Happy? Mad? Unsure? How do you think people that actually have twins feels? Some love it while others feel like its annoying because think about with us, having the same friends, always being invited to the same things so the other doesn't feel left out, having to choose between your friends or your twin, sharing clothes, having doubles of everything you own, or being compared to your twin. Doesn't sound very good does it? On the other hand though, they have the best bond, they know how you feel when something happens in the family, same size for clothing and shoes, you can play tricks

on others if they don't know you have a twin. Have you ever had that moment when you're in the hall and you see your friend, or think its your friend, and they're wearing s different outfit than what they were wering that morning? There is a good possibility that they are a twin after all. From being able to read eachothers minds and inventing their own language twins are over all fasinating! So many studies have been performed on twins and they could never understand how they could be so alike and yet have different finger prints than each other. They even can have different blood types too!

Who were the biggest fans of Blues Clues?

- A) Tori and Abbie Zerbe
- B) Kimmy and Kevin Liedel
- C) Sam and Sara Mass

Who are these babies?

- A) Evan and Alex Burlew
- B) Beth and Nicole Nelson
- C) Abby and Clare Brossman

## DO YOU WISH YOU WERE A TWIN?

**Yes**, because I could try to trick people and also for company.

-Julie Vernarr, 12th grade

**Yes**, I think it would be cool to have someone almost exactly like you and being able to share everything with them

-Emily Guinn, 10th grade

**No**, because I like having my own experiences and my own friends to myself.

-Margaret Blaetz, 12th grade

**Yes**, because they would swtich classes all the time.

-Corinne Lee, 10th grade

## #THROWBACKCHILDHOOD

Thinking back to the 90's and what do you think of? So many toys, games, and lots of imagination too! Takes you back to all those good memories and laughs. I still remember going outside and playing with my hoola hoop for hours! What toy brings back your childhood memories the most?

There's 3 of them! Erik, Gunner, and Brynn Anderson, 10th graders, tell us about their story. Brynn says its harder to date with having two brothers that are protective. Although Eric and Gunner have a stronger connection out of the three they're still close. Since Brynn's the only girl out of the bunch she's more of a tomboy thanks to her brothers. They're all play in the Liberty Grenadier Band; Gunner the french horn, Erik the trumpet, and Brynn the drums. Since they turned 16 this year I wonder how their parents are handling teaching all of them how to drive!

### THE ANDERSON'S

#### FUN FACT:

The Anderson had a band together called, "Acid Romance."

## Triplets

#### FUN FACT:

Most times everyone thinks its just Allison and Deanna that are twins and that Vinny is younger.

### THE KUNDRIK'S

You many not believe your eyes but, yes, Allison, Deanna, AND Vinny are triplets! They tell us about their story and say its hard getting anywhere on time sometimes. They told us that it's much easier having classes together and prefer having classes together for that reason. They all had classes together till the 4th grade and now its usually the two of the three having classes together until high school when they all had Mr. Click together for history. Now all three of them are ready to graduate in June and go on to college.

(C) Sam and Sara Mass (B) Beth and Nicole Nelson

"Special olympics was one of the most *rewarding experiences.*"  
-Kaitlin Nguyen, senior

Liberty offers many community service opportunities for students to help others. However, nothing quite compares to Special Olympics, an annual event at Liberty that pairs up each Liberty participant with a child with a disability from the area. The day allows students and children to establish a special bond with one another. Hundreds of families and teachers showed up to the stadium to cheer on participating children. Several students from both Liberty and Freedom High School put their rivalry aside and instead came together to be buddies for hun-

dreds of children. Senior buddy Kayleigh Pammer commented, "Special Olympics is an event that I looked forward to every year. It's sad knowing that this was my last year being a buddy, but it's great to look back on the memories I made being a buddy to some really awesome kids." High school is filled with many exciting events, but some of the best ones are those that involve giving back to a greater good. For students at Liberty, Special Olympics is an amazing event that both creates friendships and makes children happy.

"I had so much fun being a **BUDDY** for such a great kid"  
-Pat Kantner, junior

# special/BONDS

special olympics 2015

## NEW FRIENDS

Juniors Shannon Hogan, Audrey Kester, and Kaitlyn Hrubenak walk with their buddies from Hanover Elementary School in the opening ceremony. "Our buddy, Derek, was the highlight of the day," commented Kaitlyn. "I think all of the students usually feel the same about the experience: that it's rewarding, exciting, and just lots of fun. But the most important thing about it is the feeling that you are making a kid's day better." Junior Audrey Kester also commented, "[Special Olympics] is one of the highlights of the school year. Being able to hang out with these kids and make them happy is a feeling that you really can't get anywhere else."

"SPECIAL OLYMPICS WAS ONE OF MY FAVORITE DAYS OF JUNIOR YEAR. I CAN'T BELIEVE HOW REWARDING AND FUN IT WAS TO BE A BUDDY."  
**-MARY KATE SHEPLOCK**  
 JUNIOR

# WE'RE on a boat!

layout & copy by Celine Mahadeo and Ross Saveri

This year's prom was certainly a night to remember, especially for the class of 2015. Along with their predecessors, students and guests got spiffed up for their last dance of the year. The prom was hosted on one of the most prestigious boats that the Cornucopia Cruise Line has to offer; The Majesty. Having great food and a breathtaking skyline were key components in making this prom a memorable one. "It was truly a enchanting experience! The ambiance of the night and the presence of your fellow peers coming together one last

time really made this night special", commented senior Regan Morrison. Although the night was slightly dampened by rain showers, that didn't stop these excited prom-goers from enjoying themselves. This year, one of our foreign exchange students, Annika Heikkila, got to spend her first prom with us; "It was surely a fun time. It was different, but having other exchange students around me made [prom] feel diverse." In summation, the night of May 16th, 2015 was inevitably well spent by everyone.

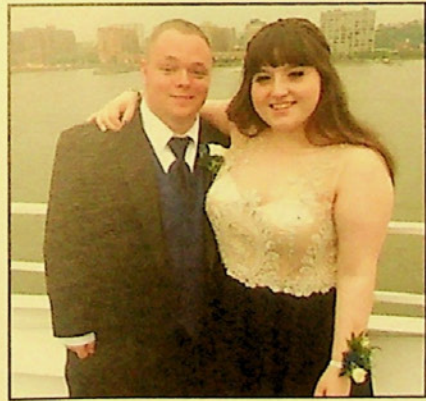

**#TURNUP** Seniors and Juniors alike gather with their dates and friends to have fun on prom night. Boarded upon the Cornucopia Majesty, these excited teens take selfies and dance the night away on one of the greatest boats this cruise line has to offer. Just the feeling of partying one last time with your fellow peers left everyone in high spirits. Originally attending prom to view NYC's skyline, junior Ross Saveri commented, "The lights were breathtaking.. It was a really great time!"

**A NIGHT IN THE BIG APPLE** Many proms throughout the country may be memorable and exciting, but not all of them get to spend it in New York City. Here at Liberty High School, Juniors and Seniors get to spend their most memorable moments of their high school career on a multi-million dollar yacht circling The Big Apple on the Hudson River. All night, students have the opportunity to experience the breathtaking view of the skyline, while dancing, talking, and enjoying the food served on the boat. Couples and friends spent most of the night taking pictures in front of the scenery, with the beautiful New York lights shining in the background. "The skyline set the perfect mood for me and my date. It was a magical night!" commented senior Brittany Magaro.

Josh Vilorio & Gianni Wright

"It's been a long road from diapers to diplomas," stated Michael Faccinetto, President of the School Board. It's the day that everyone is waiting for. The first day of senior year was filled with excitement, hope, and determination. All of the treacherous months of studying, applying to college, and doing anything you could for a scholarship are finally over: its Graduation Day. On June 3rd, the 546 senior graduates and their family and friends filled Stabler Arena. The school administrators and teachers also gathered to proudly watch each of their students, whom they have so proudly taught and guided over the past four years, walk across the stage to receive their high school diploma. It was a night of proud recollection on the amazing accomplishments of

Liberty's seniors. This year's seniors completed 68,152 hours of service to the community, a number well over the required amount. Year after year, the graduating class shows how amazingly dedicated and truly persevering they really are. 186 seniors graduated with a silver cord, which means they each completed over 135 hours of community service. Four years of incredible memories flashed by in only a few hours: Category 6 & Spirit Week, THON, snow days, homecoming and prom, and even the lockdown. As we say goodbye to our beloved seniors, we make a promise to them that we'll never forget the good times we've had with them, and amazing accomplishments that they have made.

# GRADUATION

its not goodbye, its see you later

ayout & copy by Audrey Kester

## HARD WORK PAYSOFF

Jenna Kaufmann, the valedictorian of the graduating class, held the highest GPA of 5.09. She plans to attend Princeton University in the fall and major in Mathematics. The Salutatorian, Julian Mark, plans to attend University of Pennsylvania with a major in Bioengineering.

## graduation *speakers*

### Karen Vasquez

"Don't settle for Netflix and ice cream just yet," Karen stated in her speech. Karen explained that she worked hard all of her life to overcome the difficulties she faced, and that each one of us can find our talent by doing the same. Karen will be attending Rice University in the fall with a full ride.

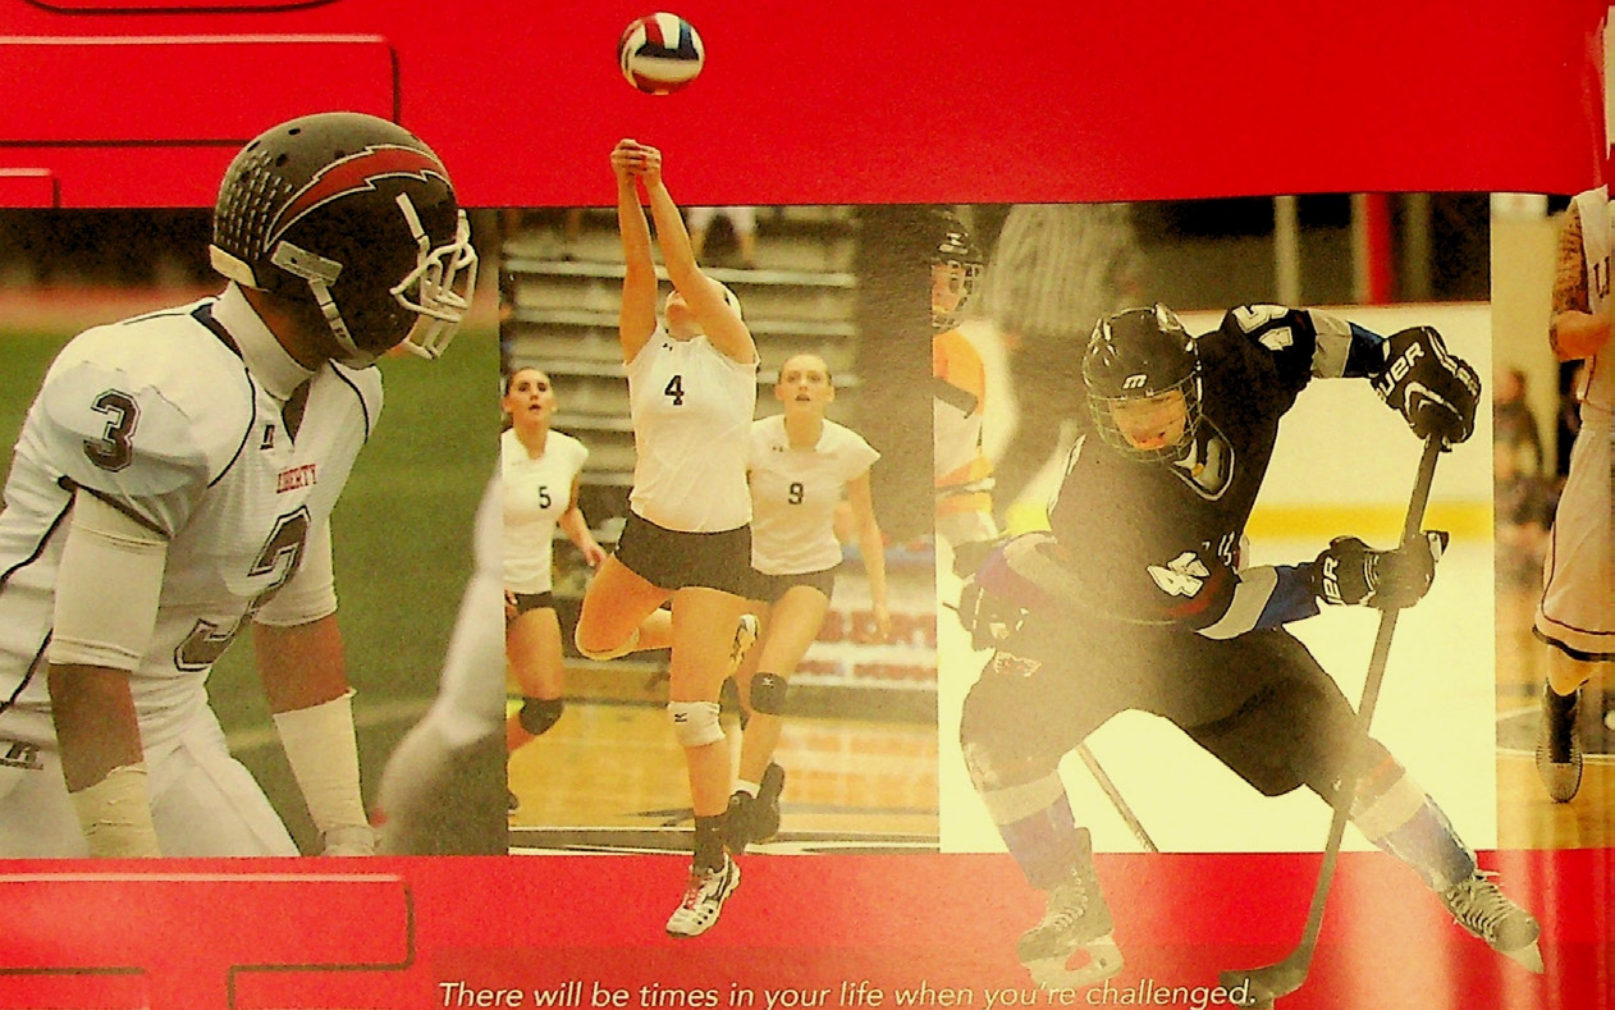

### Abigail Lewis

Abigail Lewis' speech to her class sent a simple but powerful message: spread love and give back, because what we give will last forever. Abbey told her fellow peers that using love in everything that you do will send you farther than you could ever imagine.

**A. A. MILNE** once said,

"You are **BRAVER** than you believe, **STRONGER** than you seem, and *smarter* than you think."

There will be times in your life when you're challenged.

In most cases, being **STRONG** is being able to *persevere* through

**EXTREME ADVERSITY.**

Falling down is an **ACCIDENT**, staying down is a **CHOICE.**

Remember, *nothing* is **impossible** - the word

itself says "**I'M POSSIBLE**"!

Never get *discouraged*, never **GIVE UP**, and know that **DEDICATION**

is the **KEY TO SUCCESS.**

WHAT MOST

*is that you*

# FOOTBALL

layout & copy by  
Elijah Hall, Darius Jones & Izaiah Avent

After a grueling summer of morning workouts, afternoon drills, and long days of 7on-7's, the Liberty High School Football team seemed ready to go for their season opener against Bethlehem Catholic. The Canes came out slow and didn't come out with the win, but this started the long rollercoaster of a season that the Canes football team would endure for the following weeks. "It sucks when a game doesn't go the way you expect it to, but we had to move on and keep working," commented senior Izaiah Avent. The Canes went through tough battles all season long, and even though they didn't make the postseason that they desired, the team was still able to finish the season with two Eastern Conference playoff wins. "Beating Emmaus in my very last game was my favorite part of the season," remarked senior Louie Csaszar. Next year the Canes look forward to improving on this years 7-5 record, and competing for a district championship. "Next year I look forward to playing more running back, and playing a bigger role on the success of our team," junior Alex Mack commented about his plans for next season.

## HOMECOMING GAME

On September 26th, the Canes faced off the Emmaus Green Hornets in their homecoming game. The Canes were able to rally in the 4th quarter which eventually lead to a thrilling 42-35 victory. Several students came out to cheer on the team by participating in the Category 6 cheering section, which always pumps up the team. "The homecoming game against Emmaus was my favorite game of the season because we pulled off a comeback to win the game," commented Victor Santiago.

## COMPETITION CORNER

Starting off the new cheerleading season of 2014-2015, competition was a new experience for the Liberty Varsity Cheerleading team. "I can admit that most of us did not know what we were getting ourselves into, but in the long run it was worth it", explained senior Kristin Younes. In December, the varsity cheerleading team entered EPC Leagues and placed sixth out of fourteen teams. "We were known as the "under dogs" while entering our first competition. I was very nervous but I had a good feeling that our team was going to hit our routine perfectly," commented team captain Payton Pinter. The cheerleading team placed fourth at districts and placed eighth out of forty teams at states.

# CHEERLEADING

layout & copy by Kristin Younes

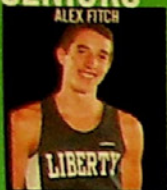

The 2014-2015 cheerleading season was the year of change for the girls on the team. The girls got a new coach, a new camp experience, new competition challenges, and began newfound friendship with Freedom cheerleading. With so many changes occurring, no one was sure what to expect. A new coach was brought in to improve the squad and the competition team. "He was really scary at first, but throughout the season my perspective of him changed drastically. He is like our 'cheer mom' and was always there for us," said Julia Doria about the new coach. The cheerleading squad stayed at an overnight camp called Camp Bryn Mawr. Spending the four days together and cheering for twelve long hours really brought the

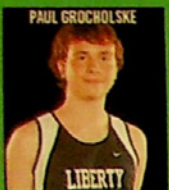

team together as a family and taught them new skills. Liberty cheerleading decided to bring back competition this year. The team spent their time and practiced at a private gym throughout the season and sometimes practiced with Freedom cheerleading to help one another improve their routines. The amount of resiliency and determination that the team displayed was impressive. The team viewed each setback as a challenge and worked even harder to overcome it. Head Coach Miss Michaels explained, "This was by far one of the best years! The chemistry amongst the seniors and underclassmen was something you can only dream of. After settling into a groove, this group of eighteen varsity cheerleaders had an amazing year."

# boys girls CROSS COUNTRY

layout by Laura Amigo & Emily Dziuba

Running is a love-hate relationship for the students on the Cross Country team. Whether its snowing or 90 degrees outside, dedicated Cross Country athletes practice to keep in shape and become better for the upcoming season. The Boys and Girls Cross Country

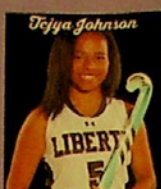

team did fairly well this season. At the Lions Invitational, the varsity girls took front stage, winning first place for the Varsity Race. Surprising her teammates and even herself, Raisa Kochmaruk took first place in PIAA Districts race.

# fieldHOCKEY

Layout & Copy by Colin Bokan and Samantha Jones

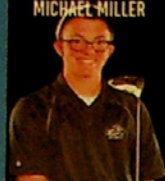

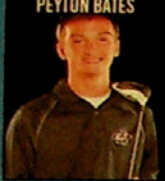

The 2014-2015 Field Hockey team had a strong season. With 14 wins and only 9 losses, the girls held an impressive record. Through their wins and losses, they girls became close friends and pushed each other to do the best they could. Senior Tejya Johnson commented, "The friends I made are what pushed me to get better and continue playing in college." Throughout the year, each and every member of the team put their all into the success of the team. In September, the team managed to beat William Allen, Dieruff, Beca,

East Stroudsburg North and Freedom without letting them gain a point. It's without a doubt that the team dominated this season. Throughout many hardships and a few losses, the Liberty Field Hockey team ended the season by making it to Districts. With their hard work and determination, the team completed the season with smiles on their faces.

Arnold Palmer once said, "Success in golf depends less on strength of body than upon strength of mind and character." The Liberty High School golf team, led by Coach Steven Bradley, emulated this idea throughout their season, proving that being mentally tough and having a solid character can largely influence any match. Though the golf team was small, they were strong competitors. "The highlight of the season was definitely beating Northampton by a single stroke," remarked junior Jacob Siegfried. The season wasn't all work and no play, according to many of the players. "My favorite thing about the season was definitely the humor," recalled Michael Miller. After finishing the season with a record of five wins and nine losses, the golf team looks to improve their weaknesses and enhance their strengths in seasons to come.

# boysSOCCER

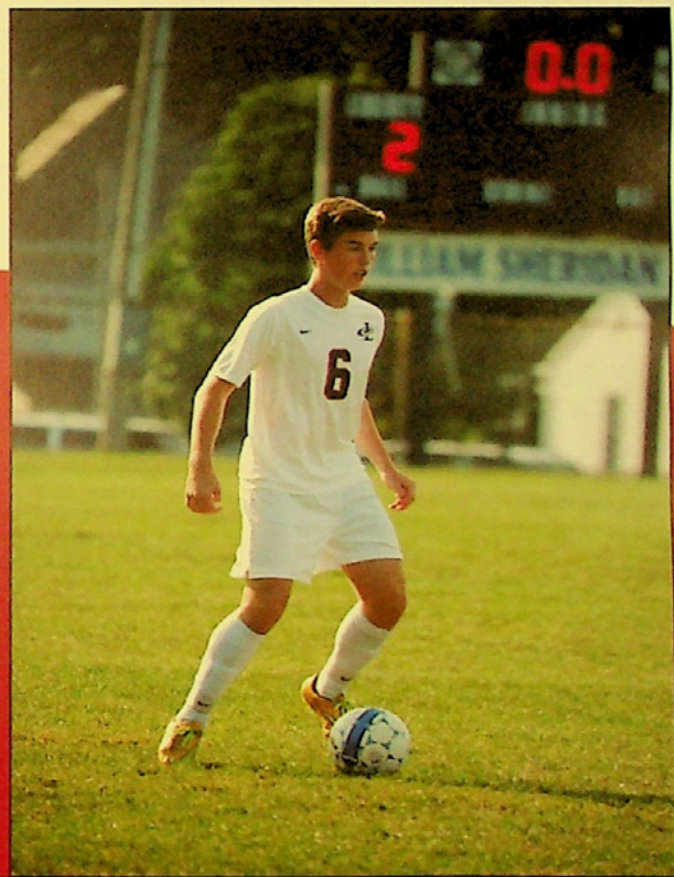

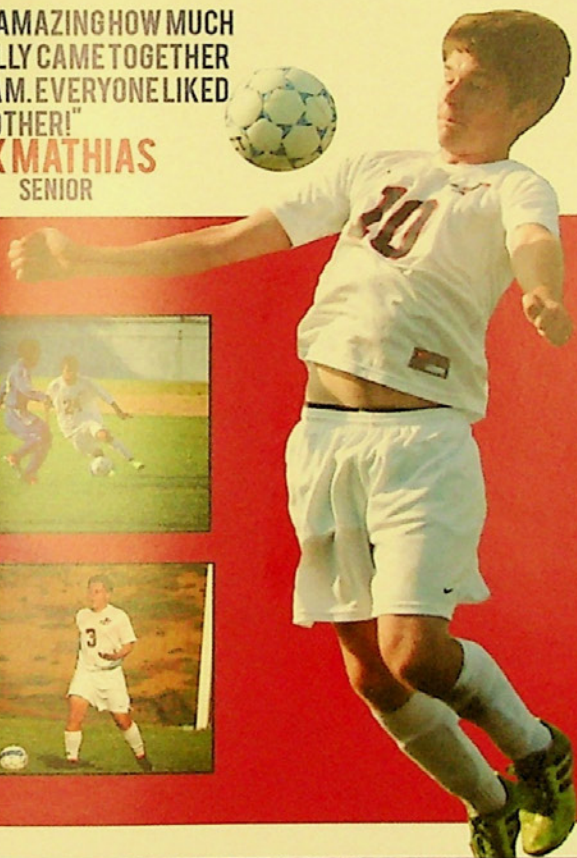

layout & copy by Colin McIntyre and Elizabeth Golden

The boys soccer team at Liberty has a tradition for always producing winning seasons. Liberty soccer is the 3rd most successful team in the state of Pennsylvania, which isn't hard to believe. The boys on the team take all of their strengths and pour them into dedication to the team. Many goals were accomplished in the fall season. Their record was 14-9, they placed second in the EPC tournament, and also made it to the quarter-finals of District 11 playoffs. Unfortunately, the boys lost a tough match to Em-

maus during districts. However, the team realized how well of a season they played, and were grateful for the goals they did accomplish. "The team was very connected to one another and worked very hard," commented junior goalie Anthony Silva. Coach Jason Horvath remarked that this team was special and one of his favorite teams to coach. "This team is family," commented Chase Tackett. The boys soccer team had a very exciting season, to say the least.

"IT WAS AMAZING HOW MUCH WE REALLY CAME TOGETHER AS A TEAM. EVERYONE LIKED ONE ANOTHER!"

# girlsSOCCER

layout and copy by Ashley Weinberg, Natalie Deck, Kayla McCarthy & Audrey Kester

Every season, the young athletes on the girls soccer team gain close relationships, strategic techniques, and good memories. Each girl appreciates and cares for her teammates, and finds it important for every one to think of one other as a family member. After practicing every day, enduring arduous drills, and both winning and losing games together, the girls have become comfortable and happy being with each other so often. Big accomplishments were set throughout the soccer season, one of them being to gain more confidence. The team also developed good mentality, social skills, and effort. One of the most common mantras of the team is 'believe in yourself,' because it's important for the girls to have faith in both themselves and each other.

Although the girls have an excellent amount of team spirit, they also have an incredible amount of physical endurance. Soccer is one of the most hardworking sports, requiring a player to sprint up and down a field; soccer can also get quite physical at times. Through their hard work and dedication, the girls have proved how motivated they are. Ending the season against Freedom, all of the players were pumped and excited to defeat them. All though the girls didn't win every game, they still made the absolute best of it.

# girlsTENNIS

layout & copy by Audrey Kester

"I LOVE HOW CLOSE WE ALL ARE. WE GET ALONG SO WELL"  
-KATIE KAMETZ

The girls tennis team was the talk of the school this year. Surrendering to only one loss, the girls won the rest of all their matches. Tough practices in the blazing heat, taking free time at home to practice skills, and being completely committed to the success of the team paid off for these hardworking girls. The girls on the team are a close-knit family both during the season and the off-season. "We came together as a team with inside jokes, and having team get-togethers at each other's houses," commented doubles player Katie Kametz. It's so imperative to be there for your team, both on and off the courts.

The four seniors on the team will really miss the closeness of the girls and how

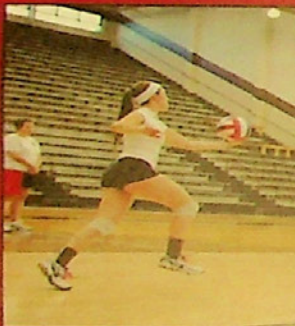

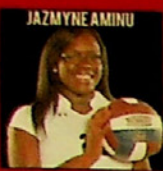

fun the team was. "I'm really going to miss the team members because everyone is so nice and welcoming, and we all get so close during the season," reminisced senior Sarah Manley.

The team did a phenomenal job this season and really showcased their talents and motivation by being almost undefeated. However, some of the team members still look at their single loss against East Stroudsburg South High School as a reminder of a need to improve. The girls are proud of their record but look to work even harder. "Next year, we can definitely improve on our doubles teams and [hopefully] become undefeated next year," junior Martina Gale commented.

# girls VOLLEYBALL

layout & copy by: Madison Capuano and Julia Doria

It's not an understatement when we call our volleyball team 'the best'. Every year, returning players or new, ambitious faces come back in the fall to play smarter and harder than ever. The game of volleyball requires a lot of physical strength and mental toughness. The girls withstand long practices with drills that will test their physical limits. What is surprising is that the volleyball team only had a few seniors this year. "Even though we were a young team, we found success throughout our season," commented junior

Maddie Capuano. "What we lacked in age and experience, we gained in heart and determination," said senior Lauren Heess. With the will and determination, the varsity team finished the season with a respectable record of 12 wins and 6 losses. The highlight of the season for all the girl volleyball players is the annual dig pink game. With all of the proceeds of the evening going to the Susan G. Komen breast cancer foundation, the Dig Pink game gives the players something to play for other than just another win.

# boys BASKETBALL

layout & copy by Samantha Jones and Annika Heikkila

Every year, both athletes and fans of the basketball team look forward to the exciting season. The Canes started off the season with an explosive six-win streak by consecutively plowing through Emmaus, William Allen, Easton, Dieruff, Pleasant Valley, and Pocono Mountain West. By completing such an impressive streak,

the team showed how much its hard work pays off on the court. The boys basketball team then went on to play in the EPC playoff finals against Parkland. In the 2014-2015 school year, Liberty will be losing five of our varsity seniors. However, next year, the returning players hope to make a bigger impression.

## GAME TIME

The boys prepare to play with a gametime huddle that concluded with a victory for the Canes. By working as a team and making sure that every athlete is working for the team, not as an individual, the Hurricanes successfully dominate other teams on the court. Being a good athlete means cooperating with your teammates and working as a fluid team to beat others; the Liberty boys basketball team does that well.

E S South	Haveford Twp	Whitehall	Bechahi	Williamsport	Freedom	Nazareth	overall
53-43	53-43	37-45	60-58	55-63	66-62	73-58	14-2

### PRE-GAME

Something that almost all athletes can agree on is the nervous and excited tension in the air before the game. The emotions that an athlete feels before the start of an important match is truly unlike any other. To the left, Coach Cintron gives the girls some helpful tips and reminds them of the strategies they had been working on so hard. The girls usually always felt comforted by the coach's support, and were motivated by her faith in them.

The Liberty Girls basketball teams were an unstoppable force this season. The girls benefitted from their strategic coaches who taught them methods to play good basketball. Overall, all of the girls basketball teams played phenomenally this year, as their records clearly show. These players have a lot of morals that they stand by that help them win games. Cailey Sanchez commented, "Treat every practice like it is your last." She is very proud to live by this moral. Reyna DeJesus also stated, "Keep pushing yourself and you will benefit from it." She also said that she has benefitted from her montra. These girls always

get nervous before they play anyone. Kristina Polak commented. "Every pregame, you feel nervous. When you go out on the court, you feel good and you feel ready to play." Kristina feels confident and ready whenever she steps foot on a basketball court. These girls played their hearts this season and were rewarded with an even .500 record. Their coaches made smart plays and won half of their games this season. These girls played their heart this season. They were pumped up from the start of the season carried out the same spirit they had throughout the entire season. They are definitely looking forward to next season.

SENIORS

The Ice Hockey team is one of the most unique athletic activities offered at Liberty. Formed only a few years ago, the team is filled with students who know how to both have fun and work hard on the ice. Team captain and point leader Robert Fenza commented, "Although we didn't win, we put in a lot of effort and had fun, which is what it's all about." This season left the members with memories they can't forget. "My favorite memory was the Bethlehem Classic game because

we had great attendance, and it was also a charitable event," senior Scotty Miller remarked. Although the students on the team had a memorable experience this year, those that plan to continue membership on the team hope to improve upon their record and skills in the upcoming season. Perhaps the most remarkable trait of the ice hockey team was their undeniable compatibility with each other, which helped them to be a positive and developing team.

**EVERY SECOND COUNTS** "You have 15 minutes to complete the target, you have unlimited sighter-shots, the clock starts on my command... Commense firing." This notorious statement is spoken in the beginning of every relay. It takes months of practice: every square inch, every heart beat, and every pull of the trigger must be perfect. "This isn't a game, you have to mean each and every shot," remarked 3 year rifle team veteran Adam Garcia. Though the stress of each match is intense, Adam knows he has the encouragement from each of his teammates. Anthony Sanchez, who joined the team his freshman year, placed among the top 10 shooters on the Liberty Rifle Team.

**RIFLE RANGE**

**RULES & REGULATIONS**

1. Wipe your feet when entering the rifle range.
2. Do not walk on the shooting mats.
3. Range seats remain clean at all times.
4. No food or drinks are permitted in the rifle range.
5. Remain calm. Firing Around You Not Be Permitted.
6. RIFLES MUST REMAIN OPEN AND UNLOADED TO DO OTHERWISE.
7. RIFLES MAY NOT BE LOADED UNTIL INSTRUCTED TO DO SO.
8. ALL RANGE COMMANDS WILL BE FOLLOWED IMMEDIATELY.
9. You may not shoot at another shooter's target.
10. Ammunition may not be removed from the firing line.
11. You must remain QUIET while others are shooting.
12. You may not adjust the sights or change settings on any equipment unless instructed to do so.
13. No equipment or parts of equipment may leave the rifle range.
14. You must come to practice willing and prepared to learn.
15. Egress on the Rifle Team is one of your team members. Treat them with respect.
16. Rifles must be pointed in a safe direction at all times.

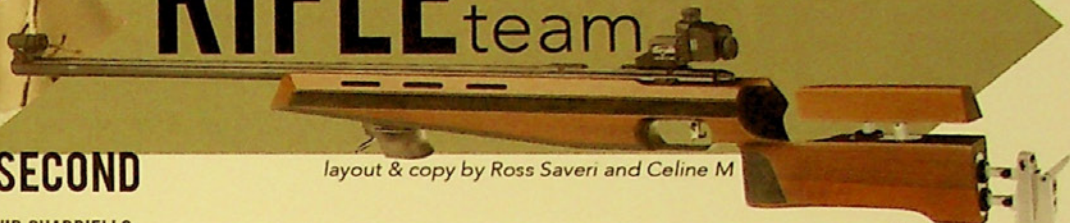

ALL RANGE RULES AND COMMANDS SHALL BE FOLLOWED. PENALTIES, SUSPENSIONS, OR EVEN RESIGNATION, MAY RESULT IN BREAKING ANY OF THE RULES.

Competitive Shooting is a fun and enjoyable sport, but must be very disciplined if you don't think and act responsibly.

# RIFLE team

layout & copy by Ross Saveri and Celine M

THE RIFLE TEAM HAS BEEN A SECOND FAMILY FOR ME." - DAVID GUARRIELLO

During the 2014-2015 season, the Liberty Rifle team has done extraordinarily well. The team finished with an overall record of 10-5. Liberty defeated East Stroudsburg North, Berwick, Salisbury, Southern Lehigh, North Pocono, and Stroudsburg. This year's team has worked unbelievably hard, with more commitment than ever before. "It has truly been a honor to shoot with the team for the past 4 years," commented David Guarriello, a long-time committed member since his freshmen year.

During the post-season, Josh Plum and Ross Saveri earned the team 2nd place in the all-star match. Josh Plum finished first place in the state and fourth in the league's top 20, and Ross Saveri earned 12th place. Kyle Ross finished as the top shooter for Liberty during the state tournament, with Plum coming in second. Few "new" members were recruited in the beginning of the season. Hannah Hook, a first year shooter, earned this year's rookie award.

## FAMILY 1<sup>ST</sup>, GUNS 2<sup>ND</sup>

Ross Saveri, an avid shooter and 3 year Rifle Team member, prepares his first shot at practice. His skilled marksmanship allowed him to place 6th in the League Allstar tournament, and 12th in the North Eastern PA Rifle League this season. "I really enjoy the sport," Ross stated. "It's more of a lifestyle for me." Ross said that without the support of his teammates, he would not be where he is today. "Saucy Rossy has become my second name, while the team has become my second family." Ross obtained the nickname his freshman year, and has since been a daily reminder of his commitment to the team.

## L.H.S. SNIPER

Senior Josh Plum, pictured with Coach Miller, finished his last season as 4th in the league and 1st in the state. "Joining the rifle team was one of the best decisions of my school career." After joining the team his freshman year, Josh earned the "Rookie Award," immediately earning respect and gratitude from his teammates. "Everyone on this team has become family to me," Josh stated. Following his freshman year, Josh received the MVP award from LHS. Josh's accomplishments on the team have surpassed any other individual achievement

on the Liberty Rifle Team since the founding of the team. Through his accomplishments, he has received respect not only from Liberty, but from teams across the state. "I have achieved more on this team than I have in any other sport."

Josh stated.

After graduation, Josh will pursue his dream of becoming a Marine Corps Officer. His skills on the rifle team have proven him worthy of continuing his career and hobby in the military. Without Josh, the team would not be where they are today.

## TRIGGER TIME

Junior Kyle Ross prepares his first shot during after school practice. Kyle, finishing his third year on the rifle team, has earned his place as part of the five top shooters on the team. "Being on the rifle team is trully awesome," Kyle said. "Shooting is such a fun sport that many kids don't have the opportunity to experience." Kyle continues to show his comitment to the team, while having fun doing so.

## ONE QUICK BREATH

Junior Nolan Vannata loves feeling fast and dropping time when swimming his events. Known for his extreme focus and work ethic in and out of the pool, Vannata strives to become a stronger athlete and improve his technique for races. Due to his hard work and dedication, Vannata swam his most successful season this year. "This year has been Liberty's most successful year, as well as mine," comments Vannata. The end of another season also brings many bittersweet memories. "Of course I'll miss the seniors the most," says Vannata.

## HARD WORK PAYS OFF

The boys district team share a victorious moment together on the podium after placing second at the PIAA District XI Swimming & Diving Championships for the second year in a row. The countless hours of hard work in and out of the pool paid off! "Since last year was thought to be a "fluke" the second time just proved that we can do it," commented senior captain Aaron Dolgos. Senior captain Alex Fitch added, "It was really exciting when we placed second. I was excited the whole day as I kept looking at the score of the meet. The energy of the meet was amazing and it made me proud and excited that I was able to be a part of the leadership that led the team to second place for the second year."

## RACING AGAINST THE CLOCK

The boys swimming and diving team was new and improved this season, building on last season's success. Falling to only one loss against Emmaus, the boys team strongly handled all other competitors with sportsmanship, focus, and determination. Finishing the season with an improved record did not come without hard work and dedication. The boys battled tough practices in the pool before and after school, weekend practices, and building strength in the weight room. The motivation, commitment, and work ethic of the boys team showed throughout the dual meet season, as well as at the district and state championship meets. The team placed second at the PIAA District XI Swimming & Diving Championships for the second year in a row! Among the amazing races that were swum at the meet, one race stood out. The boys 200 freestyle relay team, composed of Evan Smith, Brandon Hlavaty, Jacob Jones, and Robert Negron, won district gold in a time of 1:28.27! "It was a great feeling knowing that we beat Emmaus and Parkland," comments freshman Robert Negron. The boys relay team, along with Negron in the 50 yard freestyle, advanced to the PIAA Boys AAA Swimming & Diving Championships at Bucknell University. The relay team qualified for consolation finals after finishing 13th in preliminaries with a time of 1:27.47. "The experience of being with the team and qualifying for finals was the best part about states," reminisces senior Jacob Jones. Senior captain Evan Smith, the lead off of the states relay, broke the school record in the 50 yard freestyle with a time of 21.54. "Breaking the record felt awesome and almost unreal. I made it my personal goal last season and it was amazing to see it actually happen," states Smith. All of the countless hours of hard work proved to pay off for this elite group of swimmers!

The swim team is known for its closeness and how well the teammates get along with each other. Many of the swimmers think of the swim team as their second family. "The team has a family atmosphere. Both the guys and girls team act as a family. It is a great group of people," states senior captain Ryan Brong. Senior captain Aaron Dolgos adds, "I have never been this close to a group of people. I don't think I will ever get to experience such a family-like atmosphere for the rest of my life." Along with their ability to work hard, the swimmers also know how to have fun! Freshman Robert Negron explains, "I would describe the team as fun and outgoing." Going out to a restaurant for a meal together, breakfast and pasta parties, and games of water polo are just a few of the fun activities the team likes to do! Whether they're in the pool swimming or bonding over games and food, the boys always strive to work hard and have fun!

**RACING AGAINST THE CLOCK**

Sophomore Julia McCarthy races against the clock as she competes in one of her favorite events, the 100 yard breaststroke. This season, McCarthy swam school record breaking times in the 200 yard I.M. and 100 yard breaststroke at the 2015 PIAA District XI Swimming & Diving Championships. "I remember setting my goals to get the records last year, and then after missing them, doing it again this year. Being committed to a goal is essential and takes a lot of commitment. I knew I had it in me," commented McCarthy.

**NO "I" IN TEAM**

Senior captain Grace Walters takes one last quick breath before sprinting to the finish of her race. Being a captain came with a lot of responsibility, but the title also came with great rewards. "Being a captain made me feel accomplished, but the best feeling that came out of it was watching everyone grow as swimmers and become awesome people," commented Walters. The team is always supportive of each other and Walters felt happy to see everyone do so well. "The success of our team comes from our hard work and dedication," explained Walters.

"I WOULD DESCRIBE MY TEAM AS A FAMILY. WE WOULD DO ANYTHING FOR EACH OTHER!"

## IN A SPILT SECOND

The girls swimming and diving team know quite well about hard work and dedication. Throughout the four month season of challenging before and after school practices, as well as Saturday practices, the girls learn that commitment is key to the success of the team. Closing the season with only one loss against Parkland, the girls improved last season's record and proved that hard work pays off. "We have had our best record ever. We have done great each of my four years, but this year has been the best with a 12-1 record," states senior captain Emily Buell. The highlight of the season for many of the swimmers and divers was beating Emmaus for the second year in a row. The accomplishment of taking down a big rival couldn't have happened without the support and encouragement the girls show toward each other. "A lot of us have been swimming all our lives. We are very supportive of each other. Everyone cheers for each other during races," explains Buell. Although the girls had a victorious dual meet season, the success didn't conclude there. The girls team placed third at the PIAA District XI Swimming and Diving Championships for the second year in a row! Sophomore Julia McCarthy broke the 200 yard I.M. and 100 yard breaststroke school records at the district meet. McCarthy also qualified for the PIAA AAA Girls Swimming and Diving Championships at Bucknell University. "Knowing that I finally accomplished something that I spent all season training for and thinking about every practice was awesome," states McCarthy. Throughout the course of the season, the girls team proved that success comes from focus and hard work.

The girls are used to battling tough practices and racing challenging opponents, but they also like to have fun! Senior captain Grace Walters comments, "The things I'll miss most are joking around on the pool deck and going out to eat with the team because we all have such a close bond." Many of the girls have met their closest friends through swimming. "My favorite thing about swimming is the team and the best friends I've made," states junior Chloe Kobus. The girls also love to participate in different team activities outside of the pool. Junior captain Jocelyn Baker explains, "My favorite tradition is poster making for senior night and house decorating." The end of a season is always bittersweet for these close teammates! Next season, the girls plan to continue the success they had this year. "I'm looking to especially grow further as a leader and just to have fun and make more memories," says Baker.

Wrestling is the head to head competition between two competitors who try to gain keep superior position over the other. Wrestling is a physically and mentally demanding sport. According to Anthony Emig "Wrestling requires every ounce of strength and determination you have to be successful and win a lot of matches."

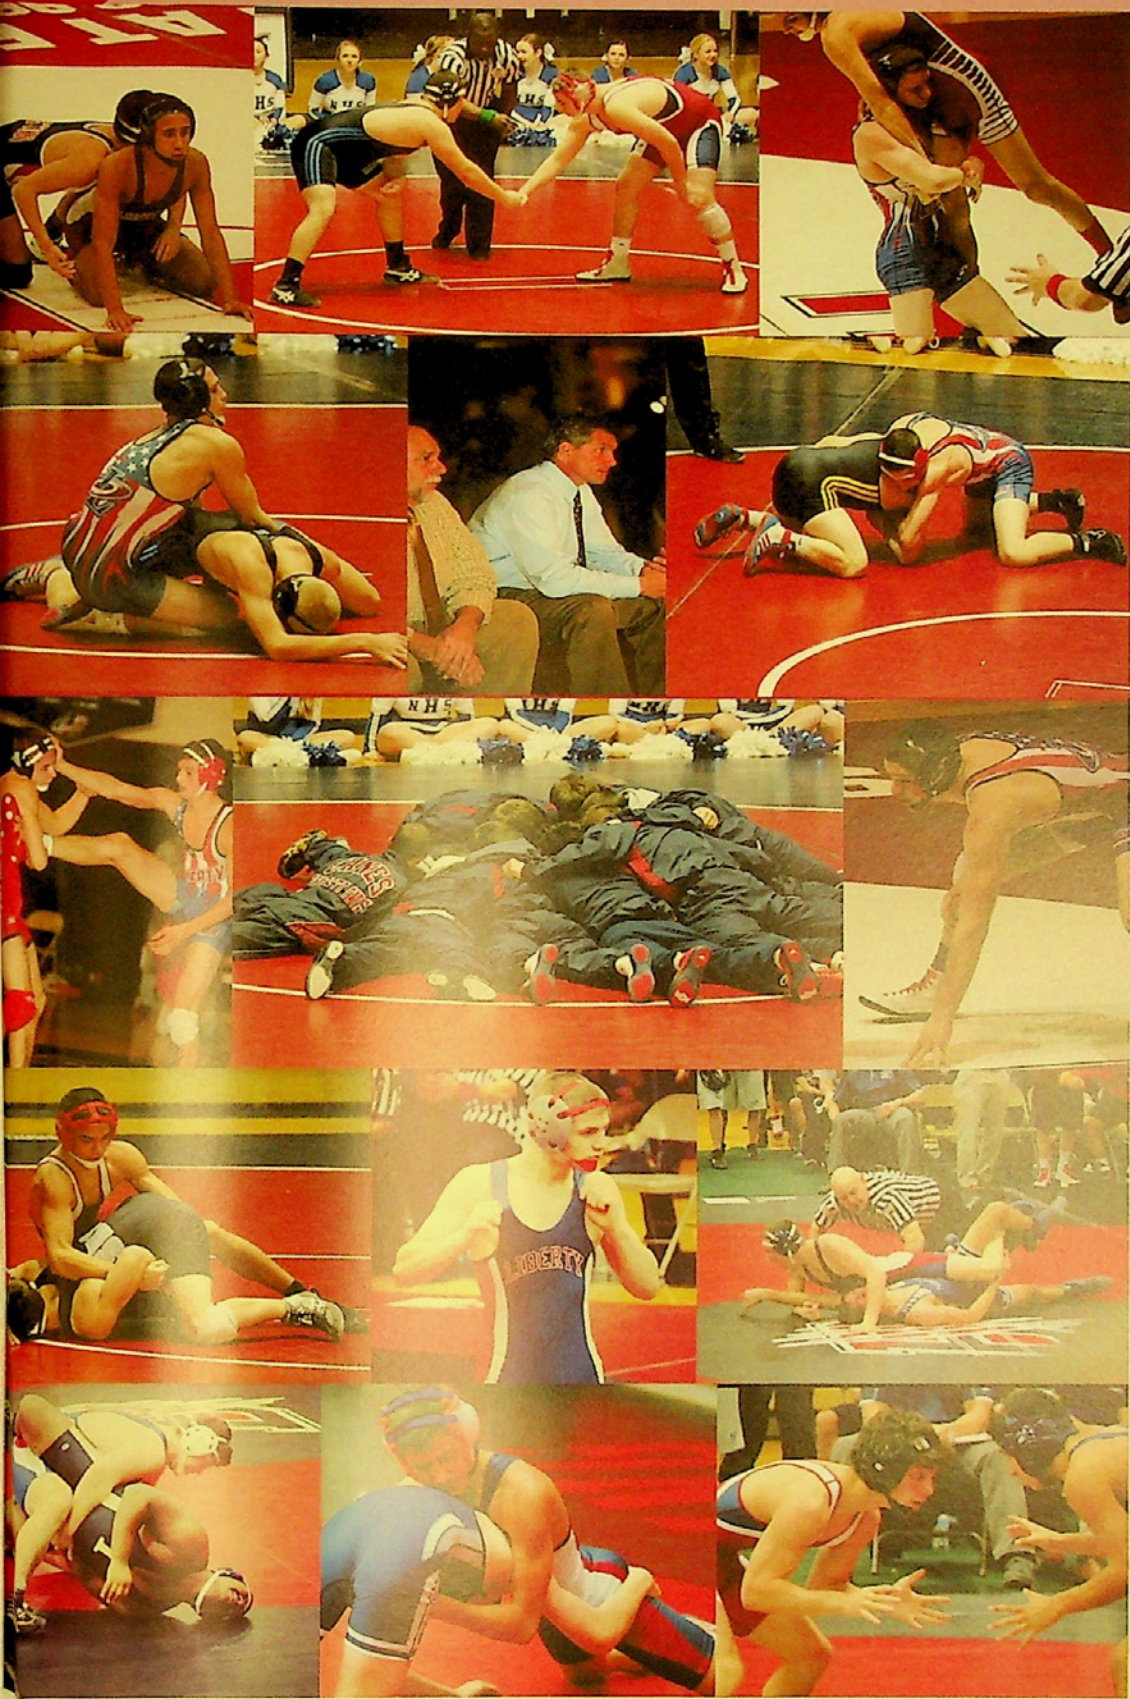

Many wrestlers would agree that it is one of the hardest things that they will do in their entire lives. Along with the grueling practice and exhausting runs that wrestlers go through on a daily basis, they have to deal with feeling of an empty stomach pretty much all the time. KJ Fenstermacher says, "Cutting weight is one of the only things I hate about wrestling." Wrestling along side your fellow teammates and being apart of a great team makes up for it all. Kevin Dans says, "We have become more than a team, we are a family." No matter what the record is at the end of the season, how many championships have been won, the only thing that really matters is how much the team has grown.

layout & copy by David Bertolotti, Jordan Morales, and Jacob Morales

Both of the Liberty Canes Baseball teams had magnificent seasons this year. The Junior Varsity team finished almost undefeated with the record of 18 wins and only 1 loss. The varsity team had a great record of 15 wins and 8 losses. Both of teams played amazingly well in their seasons and dominated all year. The highlight of every season is playing at the Iron Pigs' homefield at Coca Cola Park. Ben Hudock had the honor of pitching that game and he was very happy about his performance and his experience. He stated, "Pitching in Coca Cola Park was a time in my baseball career that I will never forget." The seniors had to work cohesively with sophomores in order to achieve

success as a team. Mike Mittl claimed, "We thought working with sophomores was going to be difficult, but it turned out to be pretty easy." Unfortunately, the varsity team lost in the league playoffs to Stroudsburg and in districts to Northampton. Nevertheless, baseball is still continuing its unbelievable path to great success on both the Junior Varsity and Varsity teams. The boys look to keep their reign of terror going as they look to add to their already astounding list of accomplishments.

## D-FENCE!

First baseman David Guarriello, senior, prepares to field a ball and make an out to end the inning. David makes it a priority to be really focused on the batter and ready to field the ball.

## ON THE MOUND

Ben Hudock, junior, feels great after pitching a stellar inning for the Canes at Coca Cola Park. Ben commented, "Pitching in an atmosphere like Coca Cola Park against a rival and winning made it a great experience that I will never forget for the rest of my life."

layout & copy by T'anna Morales

Varsity softball came ready to play this year. The team did not let getting labeled the underdogs and doubted get in their way a single bit. "Our first time we played Becahi had to be my favorite game of the season being it was our first rival game. It was one very intense game but we got the W" says Horning. The softball team had an outstanding season this year. With their overall record coming being 17-3. The team made it to playoffs and only lost to Parkland. Later on advanced on to districts then lost to Parkland again ending their season. "I will miss the seniors leadership but cannot wait for next

season and continuing their rolls for them." remarks Dallas. The team did phenomenal work this season and really showcased their talents and motivation by being almost undefeated. "I loved making memories this year with these girls that quickly turned into my sisters." Liberty is truly so proud of everyone of these girls and good luck next season!

## UNDEFEATED

It only happens in a while, but when it does, it's a great memory for all: the girls team had an undefeated record this year. "I think the biggest factor that led to success on the girls side was a competitive spirit during practice and meets. Our girls came together to support each other and with good depth were able to consistently find improvements. Additionally we had a great freshman class come in who scored critical points in meets." commented Coach Bush. "It felt amazing to be apart of an undefeated team, especially since we worked so hard for this," remarked sophomore Jochebed Arthur.

## CHAMPIONS

This year the girls track team had an amazing season; they went undefeated. Everything seemed to work in favor for the team. From setting new school records to coming in second place at the league meet by only .5 of a point, the girls made a name for Liberty's track team. "I am so proud of the team," said senior Rashana Tompkins. "This season felt amazing. We worked really hard to earn the title as the conference champions and I am just so happy that I got to be apart of this experience in my senior year." Tenise Hargrove, junior, commented, "All of our work-outs were crazy this year, but they only pushed us to become the champions we came to be." As the school year comes to an end and some very talented athletes move on to start a new

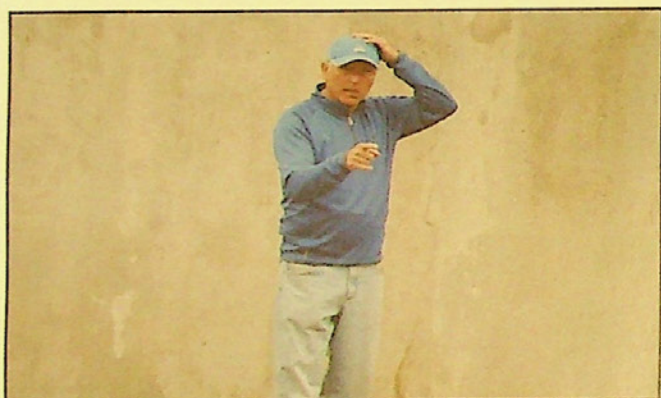

chapter in their lives, their spirits will always be remembered on the team. "I'm going to miss the seniors. The girls on the team are like sisters to me and it is always sad to see them go," said Jaylyn Aminu, who is third in the state for the 100 meter dash. "But even though they are leaving we have some really talented under-classmen who can continue to help out the team." Coach Bush remarked, "On the girls side, we are fortunate to have great depth and will easily absorb the graduation of our seniors and will likely be stronger next year as the younger kids continue to develop." Based on the athletes that are still on the team, the future is looking bright for the track team. But only time will tell how their season turns out next school year.

layout & copy by Colin Bokan & Audrey Kester

## WIN TOGETHER, LOSE TOGETHER

The boys on the team take a break from a tough match to cool down on the bench. In a game such as tennis, an athlete must work hard both individually and in his or her team. The boys have to dedicate their time to improving in their game of either singles or doubles; however, they also need to learn to function as a complete team and support one another. Tennis is not just sport of individuality, but rather a practice of supporting one another while also improving your own game.

Liberty offers so many sports teams to be a part of, it's hard to keep track of them all. But one of the most team-integrating and individually-challenging sports is tennis. From hitting the perfect backhand to getting down all the right footwork, becoming skilled in the sport of tennis entitles various methods, extreme patience, and endless dedication. The boys on the tennis team, led by Coach Leo Schnalzer, have embodied all

these characteristics by working hard every day to become a better team. After weeks of practice in the cold weather and endless drills and practices, the boys raked in seven wins and only four losses, surrendering to only the hardest of opponents. The team is only losing a few seniors this year, so it hopes to continue its successful record next year, along with making more amazing accomplishments along the way.

BE PREPARED

Junior Grady Hackett, who is a newcomer to the Hurricanes team, gets in the 'ready position' to receive the ball and hopefully win the point. Hackett shared, "My favorite memory from this season was coming back and beating Whitehall in the 5th set. We fought really hard and we were thrilled to get the win." Hackett continued, "Transferring from Bethlehem Catholic this year, I was hoping to form bonds with my teammates and have a competitive team...and we accomplished both of those goals."

layout & copy by Regan Morrison, Annika Heikkila & Audrey Kester

the boys volleyball Coach, Niad Ammary, is known around our school as being a very particular teacher and an even harder coach. It is obvious to recognize the respect the boys have for their coach, and the sport in general. This year Mr. Ammary took being a member of a team to a whole new level, by taking the boys on a camping trip this year. "Mr. Ammary made us pick up a rock and the size of it would determine how strong we were, and then he made us to carry the rock on the top of the mountain. It was a lot of work but the whole experience ended up being a fun time bonding with our team mates." commented junior Andrew Kacala. Along with becoming a bonded team, the boys endured day

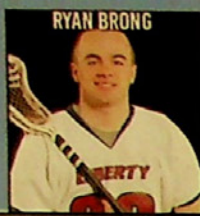

after day of grueling practices, playing difficult opponents, and seemingly impossible drills. The team's motto is, "Volleyball is all about the 3 V's: Virtue, Valor, and Victory. That's what our coaches taught us to concentrate on." Kacala, who plays both Varsity and JV, additionally commented, "Our coaches are different from the others. We are not rewarded from playing 'okay' or not participating in our practices. They make us strive to be the absolute best we can and they don't let us feel sorry for ourselves." This year, the team only had three seniors, which made the senior night even more special. The juniors and underclassmen on the team are excited for what next year has to offer.

CAITLIN KENNEDY

The year of 2015 was known as the first season that Liberty lacrosse would be treated like any other sport. This season was an obstacle, but every step of the way revealed what a young team did to shine through the shadows. "Being a captain for the team was an honor and there is no other group of men I would agree to lead. They play with fire and their hearts every time their cleats carve the field we play on," said senior captain Shamaar Vancol. This year was only a test for the future seasons. Unable to make it all the way to states, there is still volition that the team will prevail for years to come. As for the girls, after losing most of their starting line up, they faced a variety

of challenges such as numerous injuries and a new coaching staff this year. "The past few years have been difficult since we've had a new coach each season, but I'm proud of the girls this year. I believe that we've adapted well," said junior captain Erika Peters. With just three seniors on the team, many underclassmen stepped up to take over leadership positions and keep things running smoothly. "We have a very young team, but I think everyone really stepped up to make up for the loss of eleven seniors from the previous year," remarked senior captain Caitlin Kennedy. With nearly half of the team being freshmen, the girls will continue to rebuild the team for future seasons.

ADVANCEMENTS

## Something *M*

Initially drawn to meet the objective of the day, sophomore Raisa Kochmaruk turned this project into something more. She integrated her own touch by applying lyrics from an Irish band that she likes in the background.

### Empty Bowl Project

The Empty Bowl Project is an activity done by the art club. The members of the club do a lot of service and community-based art projects, and all the profits are donated to charity. Teachers were invited to have soup made by the art teachers. They also got a chance to win ceramic bowls that the art club made. The teachers that contributed to this project were Mrs. McFadden, Mrs. Lewis, Mrs. Landis and Miss Bakun.

Art is a fundamental part of many students' lives, especially those that attend Liberty. Most of the time, art is a stress reliever and a unique way to present how you're feeling. Creating a piece of art is a positive way to use your imagination. From studio art, woodcraft, 3D Design, or ceramics, there is an art class for every type of artist at our school. There are a myriad of options a young artist can use to express how they're feeling on a specific day. People express emotions in different ways, and creating artwork is just one helpful option to do so. One amazing thing about the art world is observing your improvements as you develop your artistic ability. Finding and exploring the medium you

work best with is one of the greatest parts of being an artist, and a reason why art is so encouraged at our school. Inspiration can come from anywhere, and our teachers are more than willing to help you execute what you want to create, whether it be a sketch, painting, design, or ceramics piece. An anonymous senior commented, "I think art is not only a way to make what you see in your mind come to life, but a way to capture moments and memories. I think that's my favorite part of it. It's a way to bring people together, because everyone is an artist in their own way." Our school offers students a wide variety of options to express their creativity and inner artistic imagination.

# creative Minds

[ layout and copy by Regan Morrison,  
Deven Dadlani & Luis Murillo ]

## Oil and Water Color

In Studio Art, Ceramics, Photography, and 3D Design, students are encouraged to use different techniques that have been used for ages, as well as coming up with their own designs and techniques. Art is a form of communication and a way to get ideas across in an innovative way.

## ART CLUB TRIP 2015 Philadelphia Art Museum

photos courtesy of Regan Morrison

This year the Art Club took a trip to the Philadelphia Art Museum, where they had the opportunity to view incredible works of art. Artists such as Claude Monet and Kano were on display. Some of the highlights of this trip for the students were the bus ride to the museum and the Japanese Tea Rooms, which were extremely peaceful.

## what do *you* think about art?

Jesse Garin, Senior

"To me, art is an expression of human creativity. It touches on parts of the human spirit; it truly speaks a million words. All that matters is the essence that people share [through their art]."

Victoria Marie Roll, Senior

"Art is an inspiration. You can look or think about anything and you can create that."

Regan Morrison, Senior

"My love for art started when I was very young, and has only grown over the years. Art is an outlet for my creativity, and something that constantly inspires me. I can't imagine my life without it."

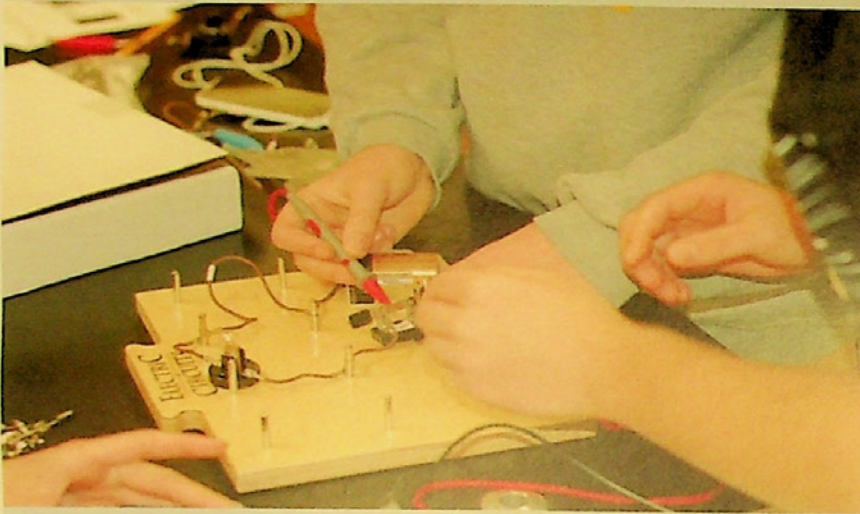

Luis Murillo, Senior

"Art is a way to escape life, and for a brief moment, witness what it feels like to create a new one."

photos courtesy of Regan Morrison

# THE LAB CENTER, SCIENCE PROJECTS, & EXPERIMENTS

A classroom lab experiments with open and closed circuits in a science room. Students learn how electricity moves through wires and about currents and negative versus positive charges.

## CAT DISSECTION

Juniors Patrick Kantner and Audrey Kester work diligently on their cat dissection in their Anatomy & Physiology class. Students got into groups and were each assigned a cat to identify and separate leg and arm muscles.

Audrey commented, "I was sad the entire time because I love animals. But it taught me a lot about the subject material we had been learning in the class, and it was really helpful to have a hands-on experience."

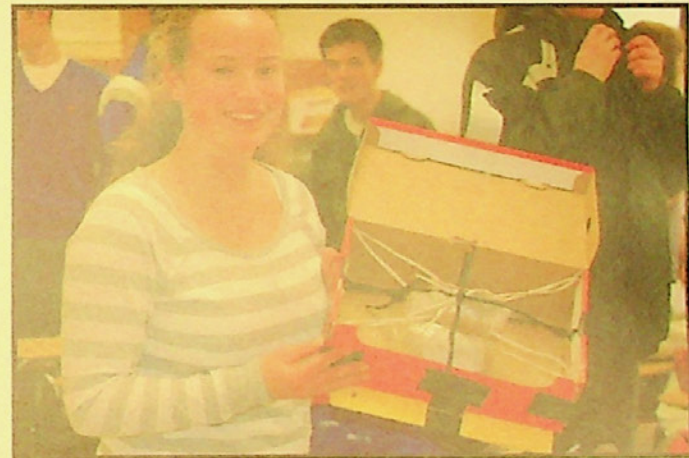

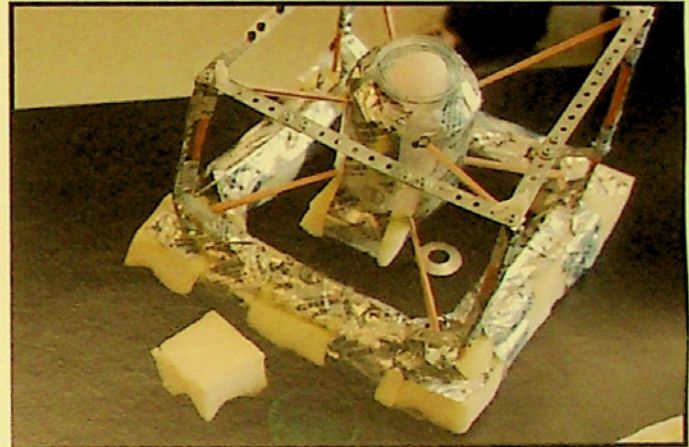

## EGG DROP

Students in Ms. Fogarty's class perform the eggdrop experiment during the school day behind the bleachers. Jesse Quier retrieves a trapped project and tosses it to a classmate below.

# Science & Layout by Corona Motley ENGINEERING

## FUTURE SCIENTISTS

Erin Henley, junior, holds up her successful makeshift egg carrier. Students in the class were assigned to make creative and successful contraptions that would prevent an egg from breaking if dropped off the bleachers.

# ENGLISH CLASSES

Every student at Liberty is required to take an English or Language Arts course each year. A variety of courses are offered that range from literature to language to poetry. English classes offer a way for students to delve into mechanics of the English language and interpret a deeper meaning of a piece of literature; taking an English course at Liberty can significantly

advance a student's interpretation and grammar skills. Junior Kaitlyn Hrubenak, who is enrolled in Mr. Tone's AP class, commented, "English is both educational and fun. The texts can be hard to understand or confusing at times, but the teachers are always there to help and guide you through it." English classes help students with writing, reading, and comprehension.

layout & copy by Audrey Kester

## poetry out loud

This year, Liberty hosted a Poetry Out Loud competition, which tests a student's ability to memorize and recite a poem. Each participant was required to recite three different poems from the POL Anthology. Abbey Lewis, senior, won the competition and was able to advance to Regionals at the Allentown Art Museum.

Rebecca Manion, senior, placed third in the English Speaking Union's Shakespeare Competition. Manion competed against students from twenty different schools.

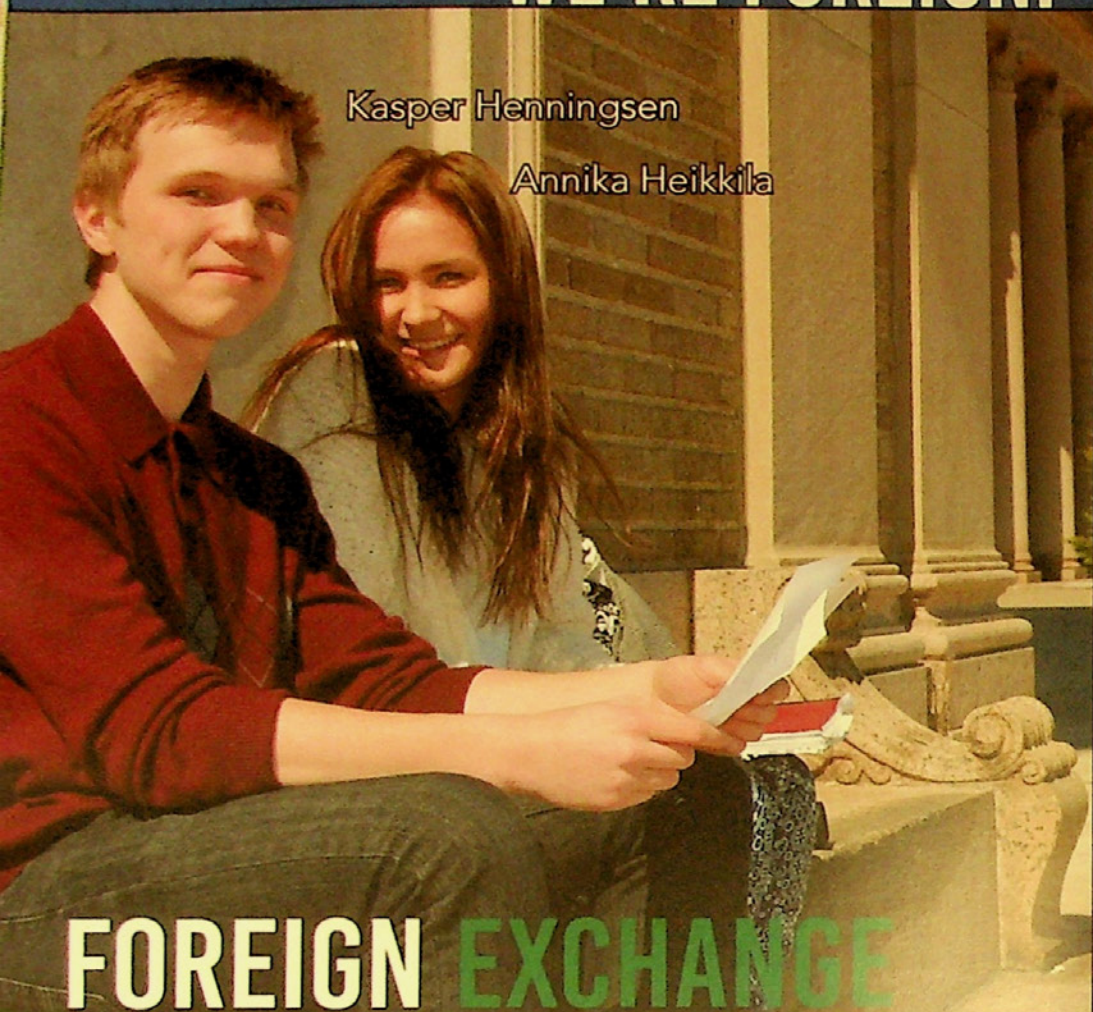

## academic awards

At the Academic Awards program, the accomplishments of Liberty seniors are recognized. Their hard work, dedication, motivation, and perseverance is rewarded. Several awards ranging from Perfect Attendance to Community Service awards are rewarded to deserving seniors.

# "WE'RE FOREIGN!"

Kasper Henningsen

Annika Heikkila

## Meet Annika:

My name is Annika Heikkila and I'm an exchange student from Finland. I'm 17 years old. I'm 5'8 with brown hair and green eyes. In my family I have my parents, a 23 year old brother, a 20 year old sister, and a little poodle called Jeri. My hobbies are floorball, horse back riding, ballet, and soccer. I love music and can play the piano. I'm very social and love meeting new people. I have friends all around the world. I've been to Greece, Estonia, Sweden, Russia, Italy, Portugal, Spain, Bulgaria, Turkey, United States, Lithuania, and Latvia. I love summer. My favorite holiday is Christmas and my favorite school subjects are languages.

## Meet Kasper:

My name is Kasper Henningsen and I'm an exchange student from Denmark. I am 16 years old, 6 ft tall and have gray/blue eyes and dirty blonde hair. I live with my parents, my black cat named Dexter, and my two identical 12 year old sisters. I live in a suburb an hour away from Copenhagen. I like running, going to the gym, and hanging out with my friends and doing whatever we think of. I also like to meet new people and go new places. I love to experience new things and follow my ambitions. My dream and goal in life is to direct movies and inspire other people to live their best life. One of my best memories is living here in America for an entire school year.

## My American Experience:

I received a pamphlet before coming here from my exchange program about everything you need to know about how people in America might be. And I actually realized a lot of the things were true, like you shouldn't mention things about religion, and things like if you ever go on a date, this is how people view dating in America. Also, social groups here like people have cliques but sometimes people link those groups of people together. — Kasper

## Our Favorites

**What is your favorite American dish?**  
Kasper: Taco bell & pumpkin spice everything!  
Annika: Moes, Mac & Cheese Thanksgiving food and ice cream; theres so many different flavors!  
**What was your Liberty Highlight?**  
Annika: Pep rallies were so much fun, and the football games like dressing in camo or white or black!  
Kasper: Spirit week was really fun. Everyday a new theme. It was a good atmosphere. We will miss the Hurricanes.

# FOREIGN EXCHANGE

## Fun Facts:

### FINLAND:

- By gold medals won per capita, Finland is the most successful country in Olympic history
- Telecommunications company Nokia is from Finland, and is one of the world's largest manufacturers of mobile phones
- Finnish people are the world's biggest coffee drinkers
- Santa Claus officially resides in a house built right on top of the Arctic circle, in the northern province of Lapland, Finland. The Santa Claus Post Office (address: Santa Claus Village, FIN-96930 Arctic Circle) receives some 700,000 letters every year from children from 198 countries.

### DENMARK:

- The Danish monarchy is the oldest continuing monarchy in the world and has existed for over 1,000 years.
- Danish author and poet Hans Christian Andersen wrote notable fairytales such as "The Little Mermaid" and "The Ugly Duckling"
- The Danish prince Hamlet, the fictional character of William Shakespeare's famous play, was inspired by an old Danish myth of the Viking Prince Arnlod of Jutland.
- LEGO was invented in Denmark.
- International surveys and studies often rank Denmark as the happiest place in the world based on standards of health, welfare, and education.
- In 1989, Denmark became the first country to legalize same-sex unions.

# What Matters Most?

## UNITY!

"We don't have school sports teams in Denmark and it's a really good unity and team work experience. I think America is a country where you learn that very early and that's something I'll take from here and tell everybody in Denmark," commented Henningsen.

## FREEDOM!

"As an exchange student you have to talk to your host family about your plans and they have to know who you're with. I was really independent at home; I didn't have to ask all the time, but as an exchange student there are more boundaries. The top four rules in my program are called the Four D's. There is no drinking, drugs, dating, or driving. They also added rules like no tattoos or piercings," stated Heikkila.

## being FRIENDLY!

"A lot of countries have their own staples, but I think I will remember the US from the people. I've met some of the nicest people here and they have been really welcoming, which changed my view of Americans," stated Heikkila.

## GROWTH!

"The hardest part of being a foreign exchange student is homesickness, culture shock, and making friends because friendships are so different in every country in how they work," remarked Heikkila.

## LIB SPIRIT!

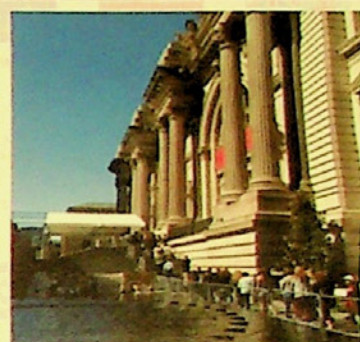

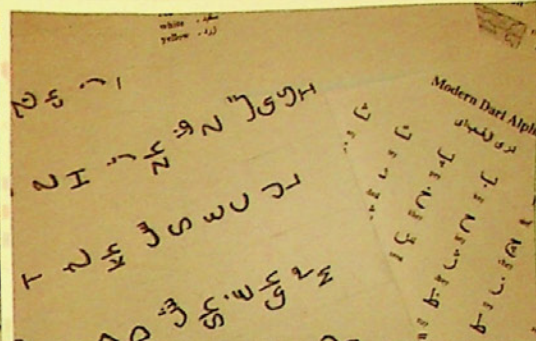

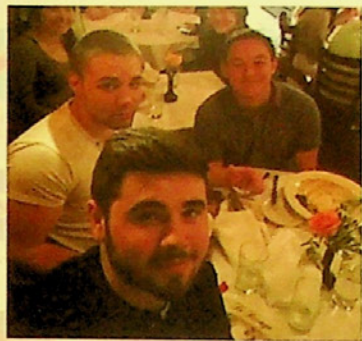

School is definitely way more a community here. America its like the school does everything together when there's a big basketball game everyone comes to cheer and everyone has Liberty spirit," explained Henningsen.

"We will miss the Hurricanes!" -Kasper Henningsen

sharing & experiencing

# DIVERSITY

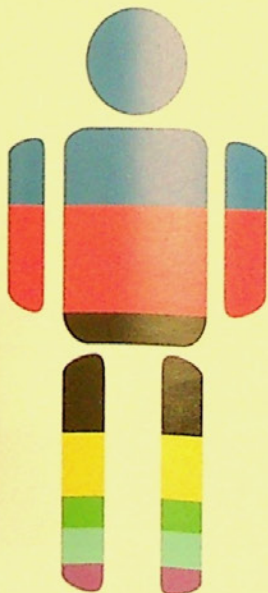

layout & copy by Jaylyn Ortiz

## FRENCH CLUB & MINI GLOBE TROTTERS

This year, French club hosted many activities that incorporated French and francophone culture. They watched French movies after school and learned how to make crepes, cream puffs and eclairs. French club had their end of the year trip to New York where they visited the Metropolitan Museum of Art and then had a three course meal at the well known French restaurant Le Rivage before concluding their day exploring the city. This year Mini Globe Trotters led an afterschool multi-cultural program at Marvine and James Buchanan Elementary school, covering countries such as France, Germany, Peru, Egypt, Afghanistan, and Korea. This was the first time in the club's history that two schools have been covered in the same school year. They also taught a Boy Scout troop about France and the French language which allowed them to earn their diversity badge.

## what are we MADE OF?

"Freshman seminar is the **BEST PLACE** to learn"  
-Teagan Cobb, Freshman

Before the class of 2017 began their first year experiencing Liberty, the school underwent many changes. Perhaps the most significant of these changes was adjustments in the Freshman Center. Students experienced a new freshman schedule, took Keystone exams, and were introduced to new class called Freshman Seminar. Freshman Seminar teaches students different word processing programs, such as Microsoft Excel and Word, informs them about different career options, and encourages them to utilize useful study tips. This class also helps to build character and teaches students to be more responsible and determined in order to prepare for their future. Although the Freshman Center may be very hard to adjust to because of the addition of more classes, it turned out to be extremely worthwhile. Last year, the Bethlehem Area School District decided to make

changes in order to provide each student with a Gmail account, which provides fast communication to other students and teachers. In addition, both students and teachers have begun to utilize the myriad of benefits of Google Docs and Google Classroom. Another new addition to Liberty this year was an app-creating class. This class provided students with the ability to work with the worlds newest technology in app creating. Some students have been able to open their eyes to completely new opportunities that may not have been available before.

But wait...there's more! Liberty students have also been more heavily using Naviance, a program that helps students explore different career paths, plan for the future ahead, and see the kinds of colleges or universities that offer the right kinds of opportunities. What will Liberty do next?

# newCHANGES

layout & copy by Ashley Weinberg, Kayla McCarthy & Audrey Kester

## PARTICIPATION

Students in Mr. Bittner's class start off the block with their daily class discussions. They're prepared for anything that Mr. Bittner might throw at them. The class is working diligently to prepare for their Freshmen Seminar Midterm.

## KEEPING UP

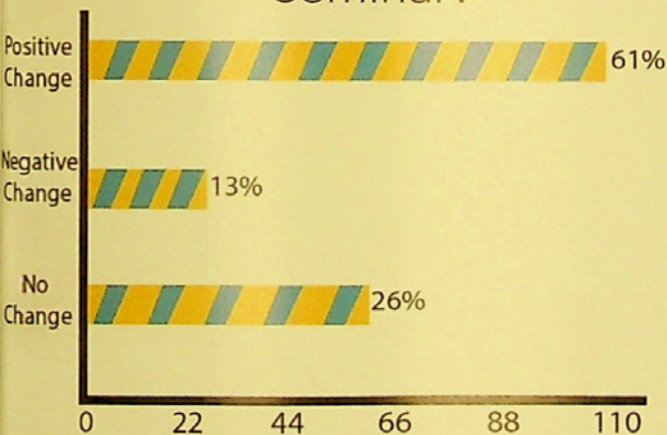

Eli Santiago uses a school computer to keep up with his grades in Mrs. Spang's class. Freshman Seminar allows students to check their grades and make sure they're not falling behind in any of their classes. All of the students in Mrs. Spang's class stay focused and concentrated on the work that's given to them. The students start class by logging in to check their Gmail and going onto their online grade portal. Class is then followed by the daily objective, which involves using charts and graphs.

Jan 13  
Freshman Sem  
Warmup Log on/Gmail/Portal  
Objective: Charts and Graphs

Have you noticed any difference in your grades because of Freshman Seminar?

## Newest LHS Technology

### Google Drive

Google Drive offers many uses to students, such as making sharing and editing documents easier. Students love it! Google Drive is an easy way to access documents and provides accessibility to teachers and peers.

### Naviance

Naviance is a recently added website to the Liberty system. Naviance aims to help students find different career pathways and strives to find colleges fit to their needs. It can work to build skills and help with college applications.

### Google Classroom

Google Classroom allows teachers to give their students easy access to all of their classwork online. Teachers can post assignments and test reminders all in one area, which makes organization easier.

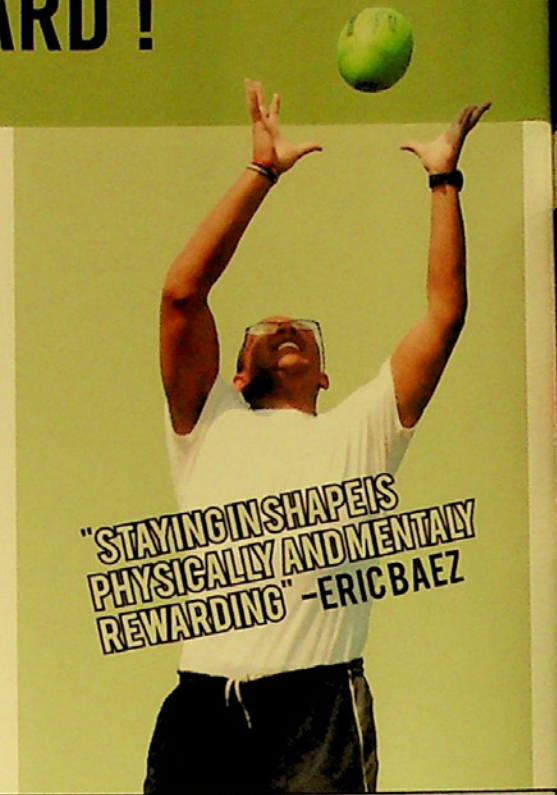

"Dedication is required for a **HEALTHY FUTURE.**  
Freshman seminar started it all."  
-Jessica Weinberg, Freshman

# Work HARD, Play HARD !

Liberty High School is without a doubt filled with energy, so it's no surprise our physical education classes give students the opportunity to release the stresses of school. Every gym class at Liberty has a wide selection of games, activities, and exercises ranging from the notorious matball to baseline ball and juke ball. Students also have the opportunity to use their own personal skills

in basketball, tennis, swimming, and even hockey. Classes also have access to the weight room and are able to test their physical strength. While a large portion of the students' grades go towards the 2 weeks of mandatory swimming. During the fall and winter, gym mainly takes place in both the memorial and auxillary gym. Students have the choice to participate in that day's main activities, or improve their cardio by walking the bleachers. "It's nothing like middle school gym, there is a wider variety of activities, and its actually enjoyable!" said freshman Molly Davids. The gym classes here at Liberty continue to thrive. The students have fun, and stay in shape while doing so!

## TEAMWORK

Team work is an essential mindset to having a successful gym class. Students will play games and sports that require this skill and will be the key to winning. Games such as ultimate frisbee, soccer, and football test the true team work aspect and "work together" mindset. "Gym class is a great opportunity for students to work together and develop friendships with fellow classmates." said junior Devon Dadlani. It's not just about getting a good grade, it's about the friends you make and the fun you have.

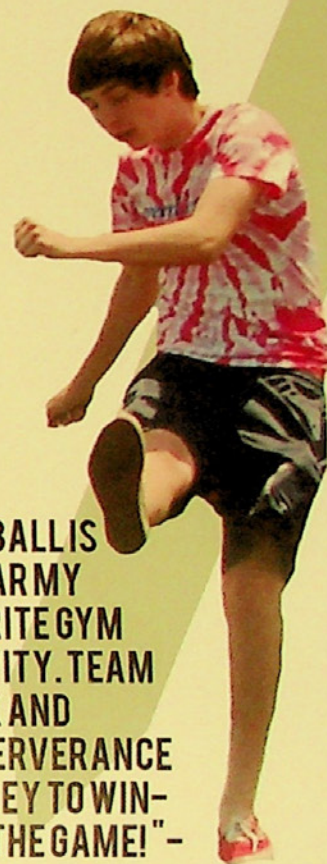

# stay HEALTHY

layout & copy by Ross Saveri

## STAYING ACTIVE

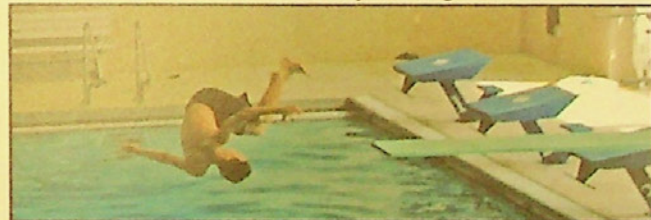

Many gym classes let their students stay active by playing recreational games. Simply playing badminton, throwing a frisbee or football, or any other non-competitive activity is a great way for students to use their energy for fun. Many students choose to walk the track and talk with friends while working on their cardio. "Life-time sports are great for a future of life-time activities," Phys Ed teacher Mr. Yelovitch remarked.

**"MATBALLIS BY FARMY FAVORITE GYM ACTIVITY. TEAM WORK AND PERSVERANCE ARE KEY TO WINNING THE GAME!" - MICHAEL CURTI**

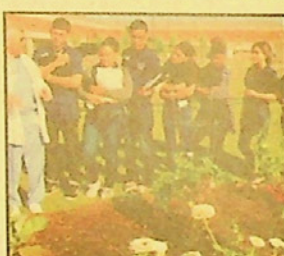

## DIVE IN!

Although many tend to dislike the idea of swimming in school, students have fun by participating in different swimming activities such as volleyball, waterpolo, and even have access to the diving boards. "We are always coming up with new games for the pool," Mrs. Wallaesa stated. "The kids really have a great time."

"The medical program helped me realize that nursing is the career for me."  
-Naydine Cruz, Sophomore

## SCHOOL TO WORK MEDICAL PROGRAM

**FRONTROW:** Naydine Cruz, Genesis Velasquez, Keyshla Rodriguez, Jackie Garcia, Berkeleys Guerrero, and Letycha Molina **ROW 2:** Judith Danilovicz, Nicole Rodriguez, Mikaelle Nunez, Stephanie Batista, Luis Ortiz, Katiria Hernandez, Daniel Delacruz, Ashley Perez, Marnacheliz Rivera, and Camila Contreras

# life's EXPERIENCES

layout & copy by Abby Tenaglia & Lisa Gilliard

Liberty High School offers students many opportunities to experience life. One of the programs students can become involved with is the School-to-Work Medical program sponsored by St. Luke's Hospital. It is through this program that students are given the opportunity to shadow doctors and nurses to see what their careers are like. "My favorite part of the program was working directly with the doctors," remarked Naydine Cruz. "The program also helped me make many new friends I will cherish." Not only are students given opportunities of experiences in the medical field, but students also learn valuable skills in our life skills classes and our traditional school-to-work transition courses. Students gain experience from working in the coffee shop, our cafeteria, delivering mail, making copies and laminating, to even attending the first annual friendship dance.

## COFFEE SALES

Seth Holland, who worked in the coffee shop, awaits his next customer for the day. The coffee shop was opened before school until the middle of third block. Coffee and hot chocolate lovers flocked to the coffee shop for their daily fix.

## CAMPUS COFFEE

FRONTROW: Austin Haas, Samantha Colon, Jessica Hanby, Sared Montanez, Star Stanton, Elizabeth Toledo, Rajahne' Smith-Jones ROW 2: Briana Hassan, Jennifer Perez, Rachel Siegfried, Jazlyn Hahn ROW 3: Edwin Martinez, Brent Hein, Josh Groff, Dylan Miller, Siraj Tariq, Mitzi Valdivia, Nathacha Soriano

## friendship DANCE

## DANCE YOUR HEART OUT

Students from Liberty, Freedom, and East Hills Middle school joined together for the first annual friendship dance in the Art Gallery. Jane Longyore, a teacher at East Hills DJ'd for the event. "The event was a huge success; seeing the smiles on their faces made my day," said Mrs. Landis.

## manicure ANYONE?

## LOVE YOUR COLOR

In preparation for the friendship dance, the girls took a trip to the Bethlehem Area Vocational School to have their hair and nails done. Camille Huertas, Paola Quinones-Morales, Mrs. Burke, and Angelica Garcia enjoy their day of pampering.

# HANDS ON LEARNING

As every student knows, sitting and class and learning material can get tedious and easy to tune out. The best way to understand material is to learn it hands-on. Field trips to different places make it possible for students to experience educational topics first-hand, and offer a viewpoint for how a certain subject is used outside of high school. Many classes take field trips every year; this year, trips were taken to the Wells Fargo Center, the Metropolitan Museum, New York City, the Amish farms in Lancaser, and a PBS Channel. Junior Pat Kantner, who went to the Amish farms as part of a German Club field trip, commented, "It was cool to learn about how German culture in America differs from

German culture in Germany. It was a really fun day that I got to spend with my friends and also got to learn about Germany." By taking students on a field trip, teachers are offering them insight on how a particular topic may be different in the real world rather than the classroom. Junior Madeline Sinkler, who took a trip with the French Club to New York City and the Metropolitan Museum, commented, "I loved the French field trip. The Museum is a beautiful place where you can see all sorts of French art that offers insight into the culture of France." Every year, the field trips taken by students at Liberty are both educational and full of fun.

"Field trips are a great way to **LEARN** & educate"  
-Katie Hrubenak, junior

# fieldTRIPS

## GROUP TRIP

The Future Business Leaders of America or FBLA come together for a group shot before they tour the Wells Fargo arena in Philadelphia. Sophomore Ceren Alici commented, "It was a really cool experience and we got to tour the different areas of the Wells Fargo center and there was a game afterwards."

**"FIELD TRIPS ARE A WAY TO BOND WITH YOUR CLASSMATES AND LEARN NEW THINGS ABOUT WHAT YOU'RE STUDYING IN CLASS. THEY'RE ALWAYS A FUN TIME"**  
-AUDREY KESTER  
JUNIOR

## new EXPERIENCES

The STAR Club, led by Mr. Wuchter, visited the United States Naval Academy in Annapolis, Maryland in April. They were given a private tour by Midshipman Andrew Bonn, Mrs. Gilliard's nephew, who is an Aerospace Engineering major. Students were shown around campus and got to see one of the sailing ships firsthand.

**MAHATMA GANDHI** once said,

"In a *gentle* way, you can **SHAKE** the **WORLD**."

You don't have to save the world all at once, but you can make a difference one person at a time!

**BELIEVE** that what you do **MATTERS** and will *make a difference* in people's lives.

Every day, **YOU** have an opportunity to *make a positive impact* on the **WORLD** around you.

**ENCOURAGE**, *inspire*, **HELP**, serve, and **LOVE** others.

Together we can **CHANGE** the world!

# WHAT MOST *matters*

*is that you...*

# MAKE A

# difference

"I loved meeting new people and becoming such close *friends*"  
-Brooke Sommons, junior

photo by Ashley Weinberg

When people think of Liberty High School, they think of the unmistakable bright red jackets, shiny instruments, and symphonic music: the well-oiled machine that is the Grenadier Band. Every school year, hundreds of people gather at the stadium to watch the band perform at half-time shows. The band, which is composed of over two hundred people, works arduously all year round, including summers and early mornings, to put on a great show after the audience. The students in the band become a bonded family that understand the pride and fulfillment that comes from being a Grenadier. "I love band because it's such a diverse group of people," commented sophomore member Dana Pfeiffer. "It's great to see us all come together and function as one family."

The band is a large congregation of students that share the same love of music and desire to perform it. All sections of the band, including the Majorettes and the Pipe Corps, work hard each year to execute their routines perfectly. Majorette co-captain Chace Burke remarked, "I love being a part of something bigger than myself. When we're all in uniform it's not about who is who, it's about how we look as a whole. Therefore it's not just about learning routines by yourself and being done with it, it's about learning them and making sure the others will, too." There's no doubt that the band is a phenomenal group of students that impress everyone in Bethlehem; the Grenadier band has been amazing in years past and will continue to wow the crowds in the years to come.

"I love band because we get to make people **HAPPY.**"  
-Kellen Rodgers, freshman

# play it LOUD

## Bethlehem's Best

layout & copy by Audrey Kester

### MAKING AN ENTRANCE

Rachel deMesa, freshman, loudly plays out the notes on the trumpet while marching on the field with her fellow band members. Every football game, the members of the band put on an exciting and exhilarating performance for the audience in the stands. "I love band because we're one big, deranged, happy family," Rachel commented. Most members of band are proud of the friendships they have made through the activity, and happy that people of so many different backgrounds and areas of Bethlehem can come together for a common cause: to play music.

### FOLLOW THE LEADER

Kaitlin Nguyen, the head majorette of the band, is all smiles during her captain routine. "Being the head majorette is a feeling truly unlike any other. It's an honor to hold such an important position within the LHSGB, especially the one I've been working towards since I started twirling in second grade," Kaitlin commented. A senior, Kaitlin has gone through her last year in the band with good memories and great performances. "I will definitely miss the football games, especially my final ones as head majorette. I felt the satisfaction of finally achieving one of my greatest goals in high school, while performing for the packed stadium with nearly 300 fellow grenadiers behind me."

**"I LOVE THE WHOLE MUSICAL PART OF BEING IN BAND"**

**-FAHVIAN SHOREY

**-KAITLYN HRUBENAK  
JUNIOR**

## spotlight on YOU

### Chace Burke, senior

Chace was one of the two Majorette Co-Captains this past year. "I love band because it's a no judgement zone," commented Chace. "It's like a big family that occasionally goes on vacations together. It's very honorable to be part of something so big and astonishing."

### Sophie Kitch-Peck, junior

Sophie has been playing trumpet for 11 years. "I love music and I love what we put out in the end. It's a big, 300-person family," commented Sophie. "Getting to play 'Thriller' at half-time was awesome. I also got to go to regionals to see my friends perform."

### Ben Sanchez, sophomore

"Band is important to me because the direction and fearsome passion that I have acquired from band compliments my love for music in perfect harmony," commented Ben, a drummer in the band.

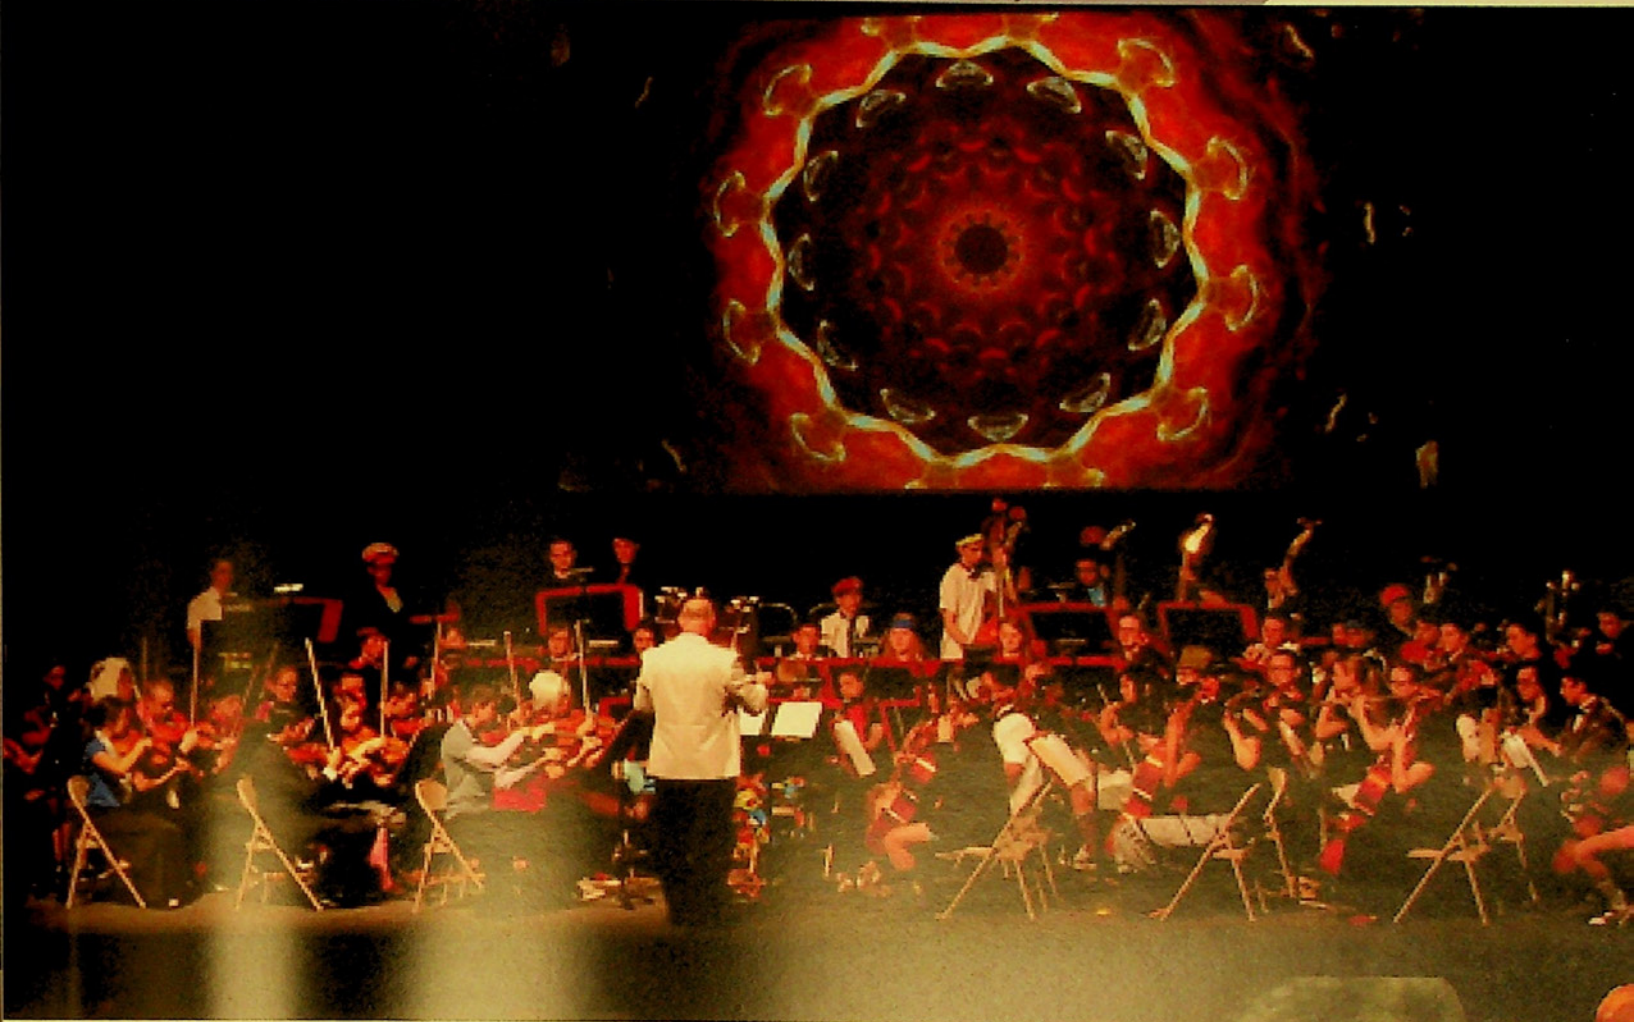

### DRESS TO IMPRESS

GianCarlo Sexias, sophomore, and Doyong Kim, senior, get ready for the pops concert. All members of the orchestra make sure the pops concert is fun and enjoyable for both the students and the audience. The pops concert is always the last concert of the year, so it represents sending off the seniors and putting an end to a successful school year.

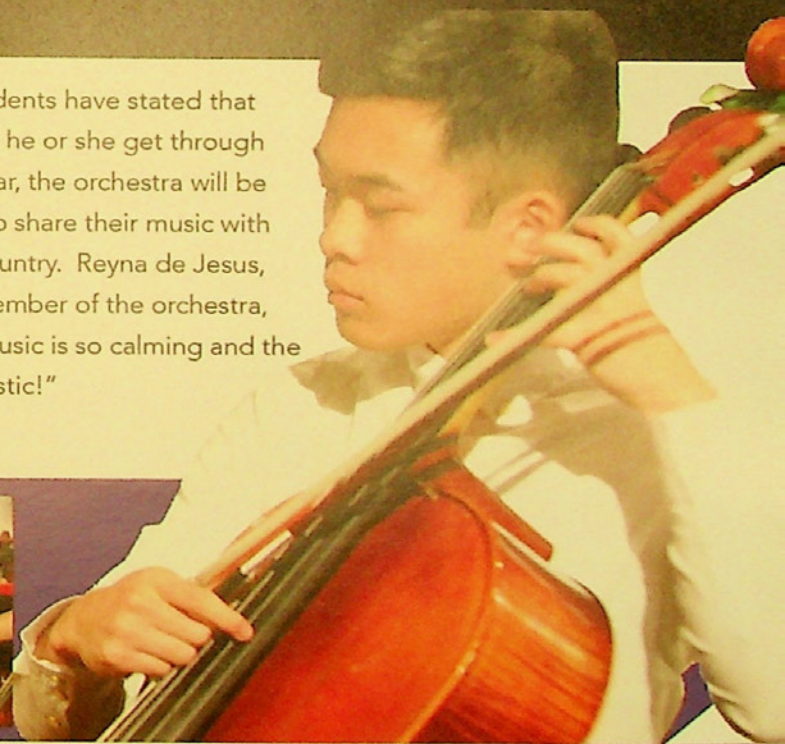

# ORCHESTRA

layout & copy by Samantha Jones and Audrey Kester

One of the highlights of high school is being able to meet other people who share the same passions as you. For the 89 active members of the Orchestra, those moments are fulfilled by playing music that ranges from late 1600s to today's modern pop music. The variety of music played by the orchestra is a common highlight for members. The orchestra has a variety of 17 instruments ranging from the violin to the bass

trombone. Many students have stated that orchestra has helped he or she get through high school. Next year, the orchestra will be traveling to Florida to share their music with people across the country. Reyna de Jesus, a sophomore and member of the orchestra, commented, "The music is so calming and the people are just fantastic!"

### Brielle Galinski

"High school gives you a huge expectation on how life is supposed to end up. You're exposed to different people, but only few you can truly call your family. Women's Ensemble was the way for me to build that friendship, and I'm thankful for the experience."

### Devyn Calabro

"Being in chorus is such an amazing experience, not only do you meet new people and become friends but you will get a taste for music that you may not have had before and look at things in a very different way. Then you know those experiences will be with you forever."

"It's a place where everyone can express their singing."  
- Sabrina Moll  
12th Grade

"It's a great place to make friends and to have fun in the morning."  
- Abigail Tenaglia  
12th Grade

"Everyone was great at singing and some even impressed me with their voices!"  
- Sabrina Lin  
11th Grade

### Dear 2015 Seniors,

In the movie Groundhog Day, Bill Murray is trapped in a cycle that finds him waking up every morning on February 2nd. The plot allows him to get another 24 hours to rewrite the mistakes he has made on that day and make a change for the better. Every September, I get the same opportunity as a new set of quirky freshman enters my life. The difference is that I am in a cycle within a cycle that spans 4 years. And now I am at the end of YOUR high school experience.

In four years you have exhausted, frustrated, and exasperated me. But the most memorable impression I will have is how you have inspired, motivated, and strengthened me.

I wish for you a future full of passion as you embrace the opportunities placed before you. Take courage to rise above obstacles that get in your way and maintain humanity to appreciate where you are because of those who believed in you.

Never stop learning. Never stop improving. Never stop finding ways to feed your soul. Music will provide that when other avenues may falter. "I've never lied to you... I will not begin now!"

Thank you for these last four years!

### Mrs. Justice

-Isaiah Morales, 11th

### Senior Chorus Members,

I hope you enjoyed your time at Liberty. It was an honor to teach you. Good luck with your future dreams and plans. I hope you make a difference in the world. What better way to say goodbye than with words from Christina Aguilera's song, "These Are Special Times"

"These are the special times  
Times we'll remember  
These are the precious times  
The tender times, we'll hold in our hearts forever  
These are the sweetest times  
These times together  
And through it all one thing will always be true  
The special times are the times I share(d) with you  
When you look back on times we had  
I hope you smile....."

I will look back at all the songs we sang together. From In Excelsis Deo to Ain't No Mountain High Enough. I remember all of the songs I sang in high school and I hope you will too. Thanks for the memories. May you lead a blessed life.

Mrs. Snyder

"Chorus is a great way to do something you love with some of the best people in Liberty, and I love all the different types of music we sing. I learned a lot about music from being in chorus."  
-Audrey Kester, 11th Grade

## Savannah Knoble

It was a memorable experience, I was able to meet new people and create friendships with not only students but, the staff as well. #AltoWay

# singers **MATTER**

layout & copy by Dayna Walck

We start as strangers and end the year as a big family. Growing bonds that we don't even know how to describe. Seeing each other everyday and having a lot of the same classes definitely makes a lot of strong bonds. Many of us will stick together through out our lives. Music has the power to bring so many people together. In chorus we sing a variation of different languages, from Spanish to Polish. Chorus is known for changing and saving lives from the unexpected fate of their lives. The auditorium is always packed with people willing and eager to hear them all sing together and hear it ringing down the

hallways. Through all their hard work and dedication the chorus and directors can say they had a successful year. From all the first block class rehearsals and after school group practices they've done a more than outstanding concerts, and you shouldn't expect anything less than that. Our many singing groups definitely use singing as a tool for their everyday lives. The passion the singers have is shown, causing their large amount of enthusiasm to become contagious. From a Capella to the entire group of choralers, each ensemble provides awesome talent and emotion through their songs.

*"It was fun. I got to make a few new friends and met new people. I was also able to learn how high and low I can sing and how to blend my voice with other voices."*

**-Benjamin Reed, 10th**

## THE BELLSMEN

Noah Reichard, Devon McDowell, Liam Mulligan, Ben Sanchez, Liam McKenna, and Andrew Reichard played the bell harmoniously while the woman sang "Stopping by Woods on a Snowy Evening" The men learned how to play the bells from Mrs. Bednarik, piano player and science teacher, in only 3 lessons.

"I love being in theatre because the people are super *awesome*"  
-EMMA DEEGAN, FRESHMAN

Twice a year, the students in Liberty theatre take their energy, passion, and determination and use it to put on phenomenal shows. Last fall, these hardworking students performed **UNDER MILKWOOD**, a poetic and mesmerizing show. Hours upon hours of memorizing lines, taking character, and rehearsing scenes proved to pay off well, because Under Milkwood was a show filled with emotion and new techniques. "Under Milkwood was a cool show because it was something we had never done before at Liberty, and we used projections for some of our set design," commented senior Sabrina

Moll.

The students who join Liberty theatre become a family almost immediately. Being together almost every day for so long results in a tight-knit group of people who feel at home with one another. "We're all there to support and cheer each other on," senior Brigid Deegan remarked. "I love how comfortable it feels to put on shows with some of my best friends." Theatre is huge mix of personalities and interests who all come together to support the same goal: to put on a show. Because of this common goal, theatre truly is a club of unity.

# fall THEATRE

under milkwood

## GROUP EFFORT

Maggie Harrington, Liza Bucchin, Abbey Lewis, Brielle Rivera, and Linnea Harris take the stage in front of the audience and act out their parts with passion and vigor. "Liberty theatre is so special because you get to do what you love with people you love. There is nothing more special than sharing the stage with amazing people," commented sophomore Brielle Rivera. "Doing what you love and making people happy at the same time is so rewarding and such a beautiful feeling."

## BREAK A LEG

Robbie Papera, junior, performs his dialogue in front of the audience. "I love Liberty theatre because it includes students from all walks of life, and it has allowed me to befriend people whom I probably never would have talked to if I weren't a member," Robbie commented. "Even though the people in theatre are from different subsections of the student body, we are all very close. I can't imagine that any other school has a cast that is as close as ours. We truly are a family."

**"MY FAVORITE PART OF LIBERTY THEATRE IS HOW ITS JUST LIKE A FAMILY"**  
**-KORI LOTITO JUNIOR**

**"THE BEST PART OF UNDER MILK WOOD WAS THE PEOPLE. THERE WAS SUCH A GOOD MIX OF PERSONALITIES"**

**-LIAM MULLIGAN SOPHOMORE**

**"MY FAVORITE PART OF UNDER MILK WOOD WAS THE SUPPORT SYSTEM ESTABLISHED BY THE CAST"**

**-BRIGID DEEGAN SENIOR**

## spotlight's on *you*

### Andrew Reichard Junior

Andrew, always a friendly face to see onstage at a Liberty show, has been a longtime participant in theatre. "[What makes LHS theatre stand out is] the sense of community, family, the ability to work together, and the comfort," commented Andrew.

### Liza Bucchin, Senior

Liza has been in all eight shows during her high school career. "The community built around Liberty theatre is a beautiful thing," she commented. "It contains a collection of some of the most passionate, talented, and outgoing individuals in this school."

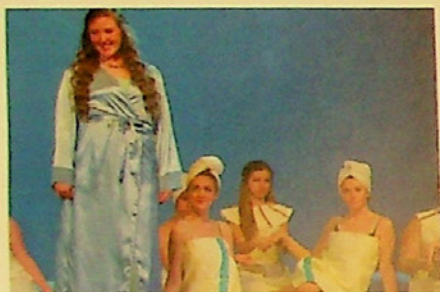

### Mia Bongardino, Sophomore

"Under Milk Wood was a very unique show and incorporated a multitude of cast members' talents, such as drawing and composing," commented Mia, who has been doing musicals since sixth grade. "All of the theatre traditions make the experience so special."

## MY STRONGEST SUIT...

Alyssa Rosario, Maris Deluca, Linnea Harris, Brigid Deegan, Paula Escott, and Anna Bongardino perform their well-rehearsed choreography for the all-female number "My Strongest Suit," which was many of the girls' favorite performance. Senior Brigid Deegan commented, "Aida was a unique experience filled with so many talented and dedicated individuals. Every moment was wonderful, from singing, to laughing offstage. It left me with so many wonderful memories," Deegan commented.

## BREAK A LEG

Senior Maggie Harrington and sophomore Brielle Rivera each have a smile on her face while performing. Maggie and Brielle both had main roles in the play, and executed their lines and songs perfectly.

"THE FRIENDSHIPS I HAVE MADE THROUGH THEATRE HAVE MADE ME INTO A BETTER PERSON"  
-WILL PELLETIERS  
JUNIOR

what will *you* miss most?

"The relationships I made with the cast and crew and the family-like atmosphere"

-SABRINA MOLL, SENIOR

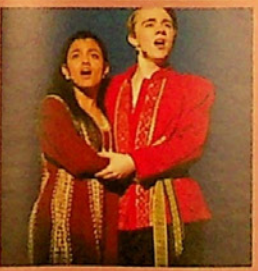

"All of the relationships I've made with different people, and all of the experiences I've had"

-LIAM MCKENNA, SENIOR

# spring *aida* MUSICAL

By far one of the most hardworking, dedicated, and talented club at a high school is theatre. The students who took part in *Aida* this spring worked endless hours to perfect their dances, hit the high notes, practice music, and make sure all of the lighting and technology worked smoothly. The actors, stage crew, and pit orchestra all combined their phenomenal talents to create a both visually and emotionally amazing show. Liberty theatre received four Freddy Award nominations. Unfortunately, Liberty did not win any nominations; however, the show was still an amazing one. Senior Devon McDowell, who played the lead male role in *Aida*, spent his last year in Liberty theatre with fun memories and great friendships. "Liberty theatre has been my home for the past four years," Devon commented. "It has always been there for me. The amazing experiences and memories will stay in my heart forever, as I leave a part of my heart behind."

## *freddy nominations*

outstanding performance by an orchestra

outstanding use of lighting

outstanding solo vocal performance - Brielle Rivera in "Easy as Life"

outstanding performance by an actress in a leading role - Brielle Rivera as Aida

At Liberty, community service means more to students than just a graduation requirement. Hundreds of students give hours upon hours of their time to give back to the community. Whether it's Key Club, SADD, National Honors Society, or Student Government, Liberty students are offered many options that can fulfill their desire to give back. Emily Kessler, senior, commented, "NHS has allowed me to be more actively involved in the school community. It has given me the opportunity to further develop my leadership skills, and taught me about the importance of working

as a cohesive team." Along with pounds of homework and the pressure of keeping a healthy academic and social life, these dedicated students take time out of their busy schedules to help people who really need it. Junior Emilie Hattrell commented, "Being in NHS has taught me how important it is to realize that everyone can use a little help. I really appreciate being in such an amazing club with such selfless people." The clubs at Liberty that offer community service opportunities involve students who are motivated and proud of their work!

# we're here FOR YOU

layout & copy by Audrey Kester

## GIVING BACK

Senior Josh Ledyard participates in the NHS Blood Drive, which enlists students to donate blood to the bloodbank. Hundreds of students gather in either the Memorial Gym or the Library each year to give blood to people who need it.

## FILLED WITH JOY

Members from student government went to Donegan Elementary School to help with some holiday festivities with the students in the SPARK program. Here students received gifts and had the opportunity to meet Santa and his elves.

Student government members also helped this year in providing food, clothing, and gift cards for families in need.

"NHS HAS TAUGHT ME HOW IMPORTANT IT IS TO HELP AND BE THERE FOR OTHER PEOPLE."  
-MARY KATE SHEPLOCK  
JUNIOR

# SADD CRASH

*a scary reality*

layout & copy by Audrey Kester

"No, it wasn't actually real," commented one student. "But the fact is, it's so realistic. Things like this actually do happen, especially with kids my age." On a sunny day in May, eight Liberty seniors participated in the SADD drunk driving simulation that occurs every other year. SADD, which is led by Mrs. Prodes, received help from St. Luke's Hospital and the Bethlehem Police to create a very life-like and realistic video that depicted the outcome of the drunk driving accident. Seniors Heather Grant and Matt Tkacik were both pronounced dead in the simulation. Grace Walters was paralyzed from the neck down. Ryan Brong, the perpetrator of the

crash, received a sentence of at least six years in jail. The remaining students were emotionally scarred from the experience. Juniors and seniors attended the 'funeral' for Matt and Heather the following day, where a former alum of Liberty spoke about her own experience with car accidents involved with drunk driving. Parents of the deceased or injured students wrote letters to the perpetrator, describing the pain and loss that they felt. The SADD Crash luckily was not real, but it successfully depicted the loss that Liberty would feel if such a horrible event were to really happen.

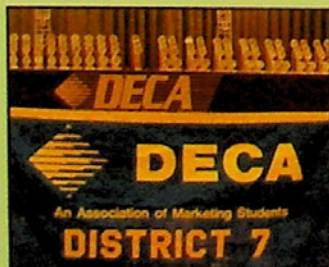

## LET'S DO BUSINESS

Juniors Adam Garcia, Maris Deluca, Julia Mello, and Josh Erney pose at the DECA districts competition, where the students in the club competed against other talented students from other schools. All four juniors are officers in the business roleplaying club. "DECA is a blast to participate in, and it has helped me learn more about what marketing really is and how important it is to our economy and daily lives," commented Deluca.

## MAKING HISTORY

Sophomore Ceren Alici and Juniors Adam Garcia, Josh Erney, and Matt Mad-eric take on the DECA State Competition.

# competition CLUBS

layout & copy by Audrey Kester

Various competition clubs are offered at Liberty to provide an outlet for the most driven and high-aiming students in the school. These clubs are led by experienced and dedicated teachers who spend time helping students grow in their education and experience. Clubs dealing with material in science, math, and even English are offered to students who want to compete against other talented teenagers in the region. Some clubs that Liberty offers

to students are Robotics Club, PJAS, DECA, FBLA, Chess Club, Science Olympiad, and Strategy Club. Many students have displayed their talents and goals through the awards they have won in a specific club. Most of our peers spend a great deal of their free time using their talents to contribute to Liberty clubs. All of the students involved in a competition club at Liberty made great accomplishments both individually and as a team.

## GIRL POWER

Radhika Singh, Eugenia Lawson, and Nathacha Soriano travelled to Villanova University to participate in the Girls Take Charge Leadership Seminar.

## SCHOLASTIC SCRIMMAGE

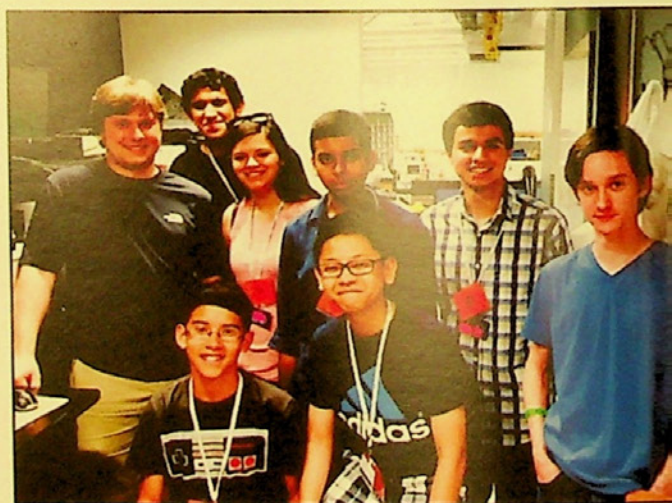

Ben Kusmaul, Sam Kaufmann, Jenny Kaufmann, and Milind Jagota pause for a picture before their Scholastic Scrimmage battle begins. The team finished 16th out of 44 teams in the Phillipsburg High School competition.

The science and math-affiliated clubs have made extraordinary accomplishments this year. Members of Robotics Club, PJAS, Math Team, and Science Olympiad all made amazing accomplishments and established new friendships. Ceren Alici, Milind Jagota, Stephen Wisser, and GianCarlo Seixas all qualified to compete in the Delaware Valley Science Fair, where Jagota and Seixas each won an award for their projects. Four students in the Science Olympiad team took

home four bronze metals from the Lehigh Valley Conference. The Math Team, which is led by Scott Fritchman, sent two separate teams to the Bloomsburg Competition. One team finished second and the other finished third. Liberty visibly has various talented, intelligent students who excel at displaying their talents. Our school has always been filled with amazing students in years past, and will continue to house these students in years to come.

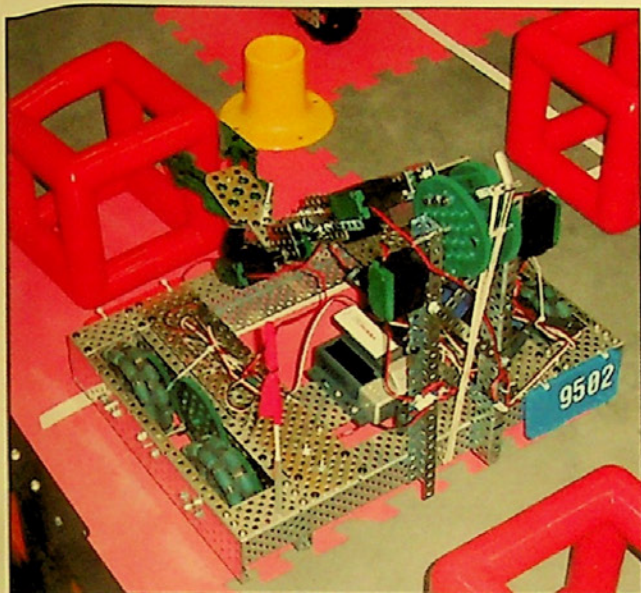

## JUNIOR SCIENTISTS

Various students represented Liberty at the PJAS State Competition which took place at Penn State University. In the competition, each student individually presents his or her research and project to judges. After months of preparation and experimental procedures, several of these students placed very high with their projects. Five Liberty students placed in first, and two others placed in second. Milind Jagota, junior, made Liberty proud by raking in a perfect score, a Special Award in Physics, and a Penn State Scholarship Award in Physics.

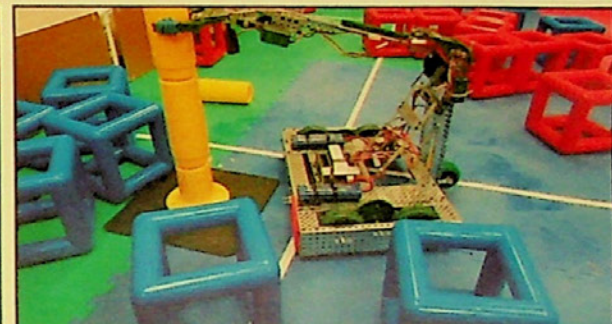

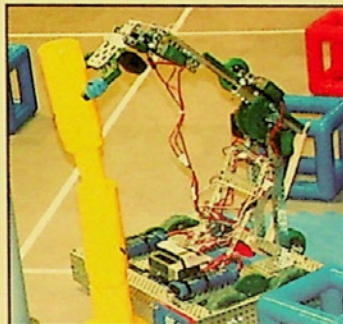

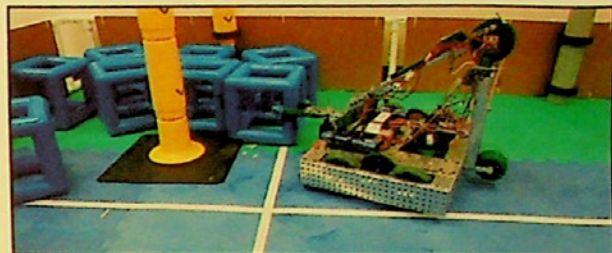

# competition CLUBS

layout & copy by Audrey Kester

## FUTURE ENGINEERS

The Liberty Robotics Club, led by physics teacher Mr. Hoffman, works to make incredible robotics models and compete with them. Juniors Isabel Stoeckley and Wyatt Evans Gartley led the team to win five victories, which led them to move onto the State Competition.

## CHECKMATE

Junior Milo Foell won a silver medal in his Chess Competition for the LHS Chess Team. He placed in the top 20 out of 84 players. Milo, who spent his first year in the club this year, commented, "It's really fun. The best part about Chess Club this year was meeting new people." The Chess Team finished their year with a record of 9 wins, 1 loss, and 2 ties. The team, led by Mr. Ambrose, travelled to many different schools to compete against skilled students in Chess Competition. Perhaps one of the best accomplishments of the team was their two victories over Freedom!

## JUMPING FOR JOY

As if Liberty didn't already have a myriad of incredibly successful students in the math and science field! This year, Liberty participated in the Bio-Olympics at Cedar Crest College for the first time. The science department sent a team of dedicated and bright students to show what Liberty has to offer. The team played third out of eighteen teams and brought home an award in Experimental Design and Analysis. The science department hopes to continue participation in the program in future years and is determined to do even better next year.

# leading with a PURPOSE

latino leadership  
layout and copy by Iyra Santos

The purpose of the Latino Leadership club is to promote cultural diversity, enhance leadership skills and expose students to unique conferences and summer opportunities. They host the Teen Variety explosion in the spring; they also host games at the Alumni day. Mrs. Elizabeth Vazquez created the club about 28 years ago. One of their biggest events is the annual celebration of Puerto Rico's Independence day. They began planning in early November to

serve the faculty and family members traditional Puerto Rican food on the last Friday before Thanksgiving. The club members come from different backgrounds and the food and desserts are from Peru, Mexico and the Dominican Republic. Another successful event would be their patellito sales; the line is always wrapped around the corner every time they were selling them. They sold over 600 patellitos for the price of \$2.00 dollars each.

**"THEY'RE ONE OF THE BEST GROUPS WE'VE HAD IN TERMS OF VOLUNTEERING. THEY'VE DONE A LOT OF GOOD FOR THEMSELVES, THE CLUB, AND THE COMMUNITY. I AM PROUD TO BE ABLE TO CALL MYSELF THE PRESIDENT."**

**-ARIANA OLMEDA**

# miniTHON

dance for those who can't

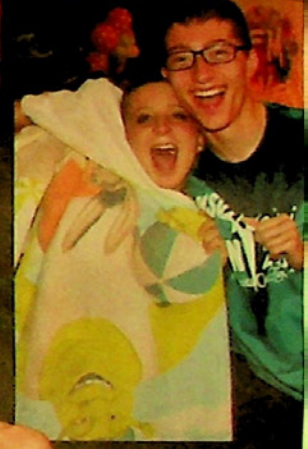

layout and copy by Celine Mahadeo & Audrey Kest

As young high school students, some of us may feel that we can't make a big enough difference to the world. Mini-Thon gives students like us the chance to make a change in the world. Students in Cancer Crushers and Mini-Thon spent hours fundraising, advertising, and planning functions in order to gain awareness for pediatric cancer and raise money for afflicted children and their families. "Mini Thon affects me so much every year. It makes me so happy to see so many students getting together to support children and teenagers whose lives have been forever changed by cancer," commented junior dancer Kaitlyn Hrubenak. By taking part in Mini-Thon, students are part of something bigger than themselves. Mini-Thon Captain Megan Latham remarked, "Mini-Thon has provided me with a home for the past three years. I have made friendships with other students, faculty, as well as Four Diamonds families that will leave a mark on me forever. Mini-Thon is a source of hope."

"Its the **BEST EVENT** either liberty or freedom has ever created"  
-Jack Polentes, sophomore

**MARILYN MONROE** once said,

"Keep *smiling*, because **LIFE IS** a *beautiful* thing and there's  
**SO MUCH** to smile about."

**THINK** past the **NEGATIVITY** and **SURROUND** your  
self with *positive*  
people.

# PEOPLE

For every **SIXTY** seconds you're **ANGRY**, you *lose one minute*  
*happiness!* Make someone *smile* whenever you can because you  
**NEVER KNOW** how much **DIFFERENCE** you could be making in their  
*life* at that moment.

# WHAT MOST *matters*

*is that you...*

**JUST**  
*smile!*

Let your

change the world.

## FLAG raising ceremony 2015

On Monday, December 22, Liberty High School honored graduates who have served or are currently serving in the armed forces. US Army Private Raina Bloomer, a 2014 Liberty graduate, along with her Recruiters raised the flag over Liberty while the Grenadier Band Brass Ensemble played reveille and the honor guard from American Legion Post 379 shot a rifle volley. Special guests at the event included Principal Harrison Bailey, Representative Steve Samuelson, Superintendent Dr. Joseph Roy, School Board President Michael Faccinnetto, and Lieutenant Colonel Shauna Hauser.

## FRESHMAN FRIDAY

It has been tradition for the past few years that Liberty welcomes the new freshman class in style. On the first day of school, classes were delayed for all other students except freshman so they could get adjusted to the new campus. They were welcomed on the front steps of the school by the faculty and staff and music from the band. After a class meeting in the auditorium, students were dismissed to find their way around the school and meet all of their teachers. To finish up their first week, all freshman were given a class t-shirt and taken outside for some team building activities led by the upperclassmen. This experience allowed them to work with some of the over 800 classmates in the class of 2018. Coming from three different middle schools, this was a worthwhile experience.

## CAFETERIA & FOOD SERVICES

**Front Row:** Kathy Ford, Miriam Sanchez, Amanda Kimminour, Ana De La Roche, Brenda Ehret, Karen Reese  
**Row 2:** Joleen Strunk, Sharmila Ameerally, Bryan Wigg, Ann Marie Smith, Narciza Perez, Marie Rivera  
**Row 3:** Barb Murphy, Barbara Sedlock, Mayra Balderas, Mildred Collado, Dawn Hanson  
**Row 4:** Laura Mugavero, Stephanie Hottenstein, Arthur Douglass, Mayra Rincon, Trinity Spradley

We are so proud of all your *accomplishments!*  
We wish you joy and success at Kutztown University!

*Love you dearly,*  
Dad, Mom, Ben and Rebecca

**WOW!** You have come a long way Derek!

It just seems like yesterday you were starting kindergarten. You had a rough start in life in the beginning with all of your medical issues. We weren't sure if you would be able to start kindergarten. People don't realize what you have been through and how you started life. Now you are graduating from high school and accepted to college - Simply Amazing!

It was your positive attitude in life to "Never Give Up". You had the determination to get through whatever ailments you had - the attitude "Let's get this fixed so I can move on to the next part in life" - for example when you just turned 5 years old - you just wanted to get out of the hospital after undergoing major surgery to come back home so you could play baseball! You struggled with classes in elementary school but with the right resources you were able to pull through your grades to where you are today - making honor roll in high school!

We are very proud of you for all of your accomplishments. The #1 - the desire to live life! You have taught your family a lot about life and what is important. You have had an effect on all of us that each of us cherish in our own way.

**We want to wish you the best of luck in the next few years at college and your future.**

*We love you Derek!*

Love, Mom, Chase, Morgan, Logan, Ian

**JAMES -**

"May sunshine and happiness surround you when you're far from home ... Be courageous and be brave.."

*Love,*  
Mom, Dad, J.T. and Sarah

**JACOB-**

*Congratulations!* We are so proud of you. May all your dreams come true.

*Love you more,*  
Mom, Dad, Hannah and Kylee

Congratulations *Kayla!*

You have always made us so proud of you and all that you have accomplished! Keep *Soaring!*

We love you very much and wish you all the success and happiness in the next chapter of your life.

*Love You,*  
Mom, Dad and Kristy

## DAVID STROHL

### DAVID,

What a fine young man you are. Who would of thought looking back and remembering that crazy little boy with out-of-control energy that you would become so thoughtful and caring of others, have a personality that brings a smile to your face and humor that makes people laugh. You are succeeding and the next journey you will take while at Moravian College. We know you will leave your mark. And we can't wait to see what path you will take.

**WE ARE SO PROUD OF YOU.**  
*Love,* Mom + Dad

PS. I can't wait to hang out with you at your first homecoming as a Moravian student. Love Katelynn

## MEGAN LATHAM

### Megan Grace,

You fill our hearts with love and pride. You are a gift we are honored to share with others.

*"May you always have a shell in your pocket and sand between your toes."*

*We love you always,*  
Mom, Dad and Ryan

## OLIVIA GEORGES

### Congratulations on your Graduation Olivia!

We're very excited to celebrate with you as you graduate Liberty High School and begin a new adventure in college. You're the most *amazing* young woman we could have hoped for in a daughter and we're so proud of you. Determination, loyalty, honesty and an exceptional work ethic are only a few of your outstanding qualities

but they will lead you to achieve the success you so deserve. Enjoy the journey! You're beautiful inside and out and

**WE LOVE YOU**

Mom & Dad

## WILL MASEMORE

### WILL, we are so very *proud* of you!

Your dedication to excellence and perseverance, in the classroom and on the cross-country course, has paved your way to a bright future. We know that your humble and compassionate nature guarantees the best life has to offer. Keep setting your goals high and know we will always have your back.

**WE LOVE YOU SO VERY MUCH!**

- Mom and Dad

*Shakespeare* had it right: "Now bid me run, and I will strive with things impossible." (But, don't break a leg, because RPI is looking for a good runner!)

## LAURA AMIGO

### Dear *Laura,*

We love you for all that you are, all that you have been and all you're yet to be.

**Congratulations!**

Mom and Dad

"This is not the end. It is not even the beginning of the end. But it is, perhaps, the end of the beginning."

-WINSTON CHURCHILL

## JEREMY LUTACK

### GO JEREMY!

*Congratulations* on all of your successes and achievements through the years... may there be many more to come in your future!

**WE ARE ALL SO PROUD OF YOU!**

**7TH U1300** in the state!

*M*y sweet baby girl, I simply can't believe that you are graduating, where did the time go? I am so very proud of the smart, beautiful, talented, ambitious young woman you have become. You are one of the best gifts your dad has given me and he is beaming down on his "*Meekie*" with pride and joy. You have been through a lot in your years of high school, but you kept going. On the day you were born, Dad and I looked at you and wondered what you would become and you surpassed our wildest dreams. Good things are ahead for you my angel.

We *love, love, love* you to pieces.

*Love,*  
Mom and Aron

*Shayla,*

We are so proud of you and love you very much! You are so beautiful and incredibly talented that we have no doubt that you'll reach your dreams! Stay true to yourself and the art that you love and your path in life will be a happy one.

*Love,*  
Mom, Dad, Gram, Hayley and Taryn

*Kaitlin,*

We are so proud of your *accomplishments* throughout the years.

*All our love,*  
Mom, Dad, Jenna and Erin

"The future belongs to those who believe in the *beauty* of their dreams."  
-ELEANOR ROOSEVELT

*Dayna,*

You are always a blessing every day of your life, my baby. We are a great family. I am so proud to say you are awesome!! I love you! Always remember to follow your heart wherever life may take you!

*Love,*

Mom, Dad and Frank

*Congratulations  
on your  
Graduation!!!*

**CELINE MAHADEO**

*Dear Celine,*

*Congratulations* to you on graduating high school! You have made me proud over the past four years by attaining honor roll and making your commitment to yearbook during your high school career. You are a dedicated student and you can accomplish any task you put your mind to.

*We wish you all the best  
in your future endeavors.*

*Love you,*

Mommy & Melissa

The Yearbook Staff would like to formally thank Mrs. Beth Walck for coming in to share her stories of courage and faith in order to teach us that life isn't just about living -- its something more.

*"You can do anything you put your mind to —  
So go out and fulfill all your dreams."*

Towards the end of the school year, Mrs. Walck passed away after her 4 year battle with appendix cancer.

*You made it!!*

# 2015 CAULDRON

your yearbook in the making!

The 2014-2015 Cauldron, Volume 90, was printed in Gettysburg, Pennsylvania by Herff Jones. Under the guidance of advisor Lisa Gilliard, and our company representative, Nancy Tunis, the Cauldron staff was able to produce an original concept book in full color. About 400 copies of the Liberty Cauldron were sold this year. The cost of the books ranged from \$80 to over \$110 based on the options that were purchased such as name plates, dust jackets, and a 16 page World Yearbook insert designed and printed by Herff Jones. All senior and underclassman portraits were taken by Christmas City Studio, located in

Bethlehem, Pennsylvania. Christmas City Studio also provided the yearbook staff with group and action pictures of Liberty athletics and events. Club and organization group photos and senior superlatives were taken by Lisa Gilliard and other yearbook staff members. The 2014-2015 yearbook was created using Adobe InDesign CS6 and Adobe Photoshop CS6. Fronts used in this book included Avenir, Thirsty Script and Bebas Kai. The book is a Smyth sewn round and back vista litho book with foil lettering to complement this year's Cauldron theme.

**FINAL THOUGHTS** As advisor, I wanted to thank the following staff members for going above and beyond in making this book possible: Audrey Kester, Celine Mahadeo, Erik Masters, Dayna Walck and Kayla Drago. Finally, we also want to recognize and thank the administration for allowing us the flexibility to be creative, imaginative and inventive in producing this book. We hope you cherish it for years to come.

a special thanks to the *photographers* that contributed their photography -
