

Raidling Charles W.

**"ARRIVED SAFE."**

"Arrived safe" is the message received by Mr. and Mrs. Ryan Raidline, 23 West Garrison Street, from their son, Technical Sergeant Charles W. Raidline, who is attached to the 423 Bombing Squadron. His present location, however, is withheld, under military regulations. Sergeant Raidline entered the Army service seven years ago last July 12. His parents had their last conversation with him over the telephone August 29 when he extended greetings on their 29th wedding anniversary. He was then at Fort Dix. He was last home last October.
