3 Bethlehem Air Cadets End Primary Training

SAN ANTONIO AVIATION CADET CENTER, TEX.—Praised by Undersecretary of War Robert F. Patterson as a fine body of men and said by Congressman R. E. Thoma-son of Texas to make him "feel good over the future of the nation," another large class of potential combat pilots has departed from the San Antonio Aviation Cadet Center to take advanced training at primary flying fields.

The cadets have completed two phases of their training—those at the Army Air Forces Classification Center and at the Pre-Flight School (Pilot) the two units which make up this military establishment, largest aviation cadet training center in the nation. They will receive their first actual flying training at the primary fields.

Members of the class included 97 from Pennsylvania, of whom three are from Bethlehem. They are: Aviation Cadet John L. Bealer, 434 Locust Street; Elwood M. Hochella, 910 Grandview Boulevard, and Albert A. Kneiss, Route 4, Bethlehem.
