City Council is meeting tomorrow night as regularly scheduled. But we are encouraged not to be there per this note on the meeting web page:

Due to the COVID-19 public health emergency, we encourage you to watch the meeting on YouTube.

Will the Councillors engage in social distancing like we are seeing as the new norm?

I imagine them taking advantage of Town Hall's rondure and sitting wide apart like, in Emerson's phrase, "the gods on their mountains around Olympus."
