Gunner's Wings**

MAR 21 1945

Corporal Maurice T. Johnston, son of Mrs. Robert and the late Robert T. Johnston, 509 Carlton Avenue, has been graduated from the Army Gunnery School at Kingman Army Air Field, Kingman, Ariz., and has been awarded his gunner's wings.

According to word received here, Cpl. Johnston and other members of his unit were taken on a tour throughout the Hollywood studios where Burgess Meredith is portraying Ernie Pyle in a film entitled "GI Joe." Pyle and Meredith talked to the men for several hours during which they swapped tales of their experiences while in the service.
