WAC HAS FURLOUGH

Sgt. Bernice C. Taylor, of the WAC at Norfolk, Va., spent a 11-day furlough at the home of her parents, Mr. and Mrs. Harvey Taylor, Bethlehem, R. 4. Receiving her basic training at Daytona Beach, Florida, Sgt. Taylor was assigned to serve at Norfolk, with the Coast Guard and Anti-Aircraft Corp.

Recently the WAC's stationed there participated in the flag-raising ceremonies at the ball park and later a WAC team crossed bats with the Coast Guard ball team.
