**60th Annual**

Nazareth to Bethlehem

**Christmas Peace Pilgrimage**

*Saturday December 14, 2019*

This is how we should think of Bethlehem as a destination city.

Not in a Wind Creek sense.

Time for the annual peace walk.

It's a busy time of year, you say.

Join or leave the walk at three spots along the way.

You don't have to be "religious."

Would you join Gadfly again?

Peace matters.

Next Saturday

*This is a good time of year to think of donating to [LEPOCO](#), an unsung Bethlehem treasure.*
