

Beahm, Betty

Medics Promoted

Two local girls who have not been separated since enlisting in the Army Medical Corps two years ago, both earned their first stripe at Camp Upton, Long Island, recently. They are Pfc. Betty Beahm, daughter of Mrs. Caroline Beahm, 1144 Minsi Trail St. and her friend, Pfc. Ann Synnot.

The "medics" enlisted in September, 1944 and received their training at Fort Oglethorpe, Ga. and Halloran General Hospital before going to their present station. Pfc. Beahm's brother, William, S2/C, was discharged December 14, 1945.
