Bethlehem Soldier Finds Globe-Times In African Desert

Not only do our boys reach all corners of the globe but also copies of the Bethlehem Globe-Times.

This was borne out when Donald Gibson, a former student of Liberty High School found a May issue of the Bethlehem Globe-Times blowing around on the North African desert.

In this issue of the paper was an application for the service roster of graduates and former students of the Liberty High School. Donald filled out the application which is dated Sept. 5, 1943, sent it to Liberty High School and it was received by them last Friday.

He is a volunteer serving with the American Field Service, G. H.Q. M.E.F. Cairo, Egypt. He has been overseas 21 months.

Donald attended Liberty High School from 1931 to 1933, prior to moving with his family to Chico, California, where he was graduated from high school. He later attended Leland Stanford University and the University of Washington. **OCT 7 1943**
