

# Alert! New first dose vaccine appointments opening up!

The Bethlehem Gadfly coronavirus February 24, 2021

 *Latest in a series of posts on the coronavirus* 

Due to an additional shipment of Pfizer vaccine, the Bethlehem Health Bureau is adding appointments for first doses to their clinic on Friday (2/26). Appointments will be released Thursday morning. Please visit our website [www.bethlehem-pa.gov](http://www.bethlehem-pa.gov) and click on the COVID-19 tab to schedule an appointment. A small number of phone call appointments will be available by calling 610-865-7083. Phone appointments are only for individuals from the City of Bethlehem and Northampton County who are 65 years of age and lack internet or computer access. Please do not call before 8:00 a.m. on Thursday as no appointments will be taken before that time. Additional appointments will be released on Friday for the following week's clinics if vaccine supply allows.
