## Advances

Somewhere in India, a Bethlehem boy serving as photographer and gunner on a B-24 plane, has been advanced from the rank of corporal to sergeant. He has flown seven combat missions over enemy territory in the China-Burma-India theater.

The young man is Sergt. Howard L. Spengler, son of Mr. and Mrs. Arthur Spengler, 946 Main Street. He is a graduate of Liberty High School, was inducted April 17, 1943, and shipped overseas in June of this year. He completed a course in radio at Scott Field, Ill., and gunnery training at Harlington, Texas.
