City Council — the “face” of Bethlehem City government — meets tomorrow night, Tuesday, January 19, Community Development Committee at 6:00 and regular Council meeting at 7PM.

You can watch the City Council meetings on the following YouTube channel: City of Bethlehem Council

6:00PM: Community Development Committee

- Proposed Ordinances Related to Third-Party Inspections: Councilman Callahan proposed this during the budget process as a way of saving money by cutting positions while speeding up the inspection process. If the discussion at the budget hearing is any clue, this discussion could be “hot.”

7PM: The regularly scheduled Council meeting

Of interest:

- To Gadfly's eye, there's nothing obviously "hot" on this agenda

But there's always the unexpected.

As long as he has flutter in his wings, Gadfly urges attending City Council.

Be informed. Be involved.
