The Hidden Seed: Bethlehem's Forgotten Utopia

Gadfly saw the play *The Hidden Seed* again last night. Did he “see” any of you there as well?

Here’s a short clip of the play’s –as it were – theme song as the play ended.

Gadfly wishes he had a better recording of it and a recording of the three main characters singing it during the body of the play.

Bethlehem needs a theme song.

Do we have one?
