AT MUNICIPAL BUILDING**

Young men of Bethlehem between 18 and 20 years of age, who must register for selective military service on June 30, residing in the area embraced by Local Draft Board No. 1, will be registered in the recreation room of the South Side municipal building, according to arrangements made by the board.

During previous registrations of the manpower of this area, a number of registration points were established in various sections of the South Side. On this occasion, all of the registrations will be at the South Side Municipal Building.

Today, attaches of the draft board office contacted principals of schools on the South Side in hopes of enlisting voluntary service for this registration.
