Candidate Grubb at Monocacy Park:

- Our parks have provided peaceful places for fishing, picnicking, and walking for generations.
- Unfortunately, maintenance is often wanting and floods wreak havoc.
- Regular maintenance can defer cost of capital improvements.
- I will reconstitute the Department of Parks and Recreation.
- The park resources will gain a new focus.
- And will be available to future generations as they were to him.

Let's believe in a better Bethlehem.
