NOV 16 1944

Frank Nagy, son of Mr. and Mrs. John Nagy of Bethlehem R. D. 4, has been advanced to the rank of Corporal. He was inducted April 9, 1943, and received his basic training in the engineers at Fort Lewis, Wash.

Cpl. Nagy left for overseas duty in December, 1943, and was stationed in England. Since June of this year he has been serving with the Army Engineers first in France and now in Germany.

He was awarded the Bronze Star for heroic service while on duty with the First Army. He helped rescue four of his buddies from a house after the Germans had them trapped for seven hours.

In a recent letter home he tells of weeks in a fox-hole, during constant rain, and states that he did not have his shoes off for more than a week, slept with his overcoat on and that he had only partial shelter over his foxhole.
