

A walkable city needs . . . walkers (25)

The Bethlehem Gadfly Walkability and Bikeability May 3, 2019

(25th in a series of posts on Walkability and Bikeability)

Tail on the Trail

Walk/run/bike 165 miles between May and November. Can log your miles anywhere.

Gadfly is a “J” on the Myers–Briggs scale. Likes a bit of structure. Likes discipline.

Take the challenge along with him?
