LIEUT. COMDR. SCHULTZ

Lieut. Commander I. Robert Schultz, awaiting termination of his naval service, will return to his job as superintendent of recreation on January 15. This was announced following a meeting today of the City Recreation meeting over which Mayor Robert Pfeifle presided. Schultz has been in the Navy for the past three and a half years.

The board decided to ask members of the school board for a conference in order to discuss the budgetary needs of the city's recreational program.
