A USSTAF AIR SERVICE COMMAND DEPOT (Somewhere in England)—Pvt. Robert E. Westwood, son of Mr. and Mrs. Wilbur Westwood, 630 Lackawanna Avenue, Bethlehem, is now serving with the United States Strategic Air Forces in Europe.

A graduate of Stevens School, Fountain Hill, Pa., he received his initial military training at various camps throughout the states and then sailed for overseas duty, arriving in England in November, 1943.

He is now serving as a member of a military police company at Uncle Sam's largest aircraft repair and modification depot in the ETO. At this base thousands of skilled aircraft mechanics and technicians are busily engaged on a round-the-clock schedule, preparing our fighting and bombing planes for the final all-out assault on Hitler's Fortress Europe.
