

Add your name to the many organizations endorsing the pedestrian/biking bridge feasibility study!

The Bethlehem Gadfly Pedestrian bridge, Walkability and Bikeability November 14, 2020

 *Latest in a series of posts on the pedestrian bridge* 

Doug Roysdon is a member of the Bethlehem Pedestrian-Biking Bridge Committee.

ref: [Interviews with design firms yield new insights into the utility and value of a pedestrian/biking bridge across the Lehigh](#)

Hi Gadfly:

As a part of our update on the current development of the pedestrian/biking bridge project, we would like to note that an important budgetary vote reconsidering the funding of the feasibility study will be coming at the City Council meeting next Tuesday, November 17.

With this in mind, I am offering here the current list of the many Bethlehem organizations and institutions who have already endorsed the feasibility study in the hopes that your readers will do the same.

You may offer your support of the Bethlehem pedestrian/biking bridge feasibility study to the city council by sending an email to Clerks@bethlehem-pa.gov as soon as possible but before noon Tuesday November 17th. We need to have endorsements in the hands of the Council members well before the meeting/vote that night.

Thanks for your participation in this very important issue!
