### Buddies Together Again

Three former Bethlehem High football players are together at Navy Pier, Chicago, Ill., after being separated at Sampson Naval Training Station. Ed Hoch and Tony Garbersewski had enlisted together and later met Tom Schrader at Sampson, N. Y. At the Pier, Ed had graduated from Diesel school as third class petty officer and is now going to advanced school. Tom and Tony are studying to be aviation motor machinists and hope to receive their wings as aerial gunners.
