Saturday 155 total confirmed coronavirus cases at Lehigh, 101 off-campus.

Tuesday 177 total confirmed cases, 119 off-campus.

According to the *B&W Weekly*, **October 12**, “Lehigh has expanded its surveillance testing to include both on and off-campus students. However, students who are not selected for testing have found difficulty receiving help from the Health Center. Students who have been in contact with a positive case have been denied testing.

WTF?
