J. E. Snyder, Charlotte, N. C., a brother of Miss Edythe E. Snyder, Broad Street and Tenth Avenue, has just graduated from the United States Coast Guard Academy at New London, Conn., and is taking a month's additional special study in submarine work at the base there.

Upon completion of the special work, he expects to spend a brief furlough here with his sister, who, with W. W. Treon, also of Broad Street and Tenth Avenue, attended the commencement exercises at the academy.

Coast Guardsman Snyder is a graduate of Liberty High School and attended the University of North Carolina. He enrolled at New London under a reserve officers' training course. He is the son of the late Mr. and Mrs. H. O. Snyder, of this city.
