

Wolfe, Alfred J.

**Starts Last Lap
Of Flight Training 7 1943**

LUBBOCK, TEX., ARMY AIR
Field—Aviation Student Alfred J.
Wolfe, son of Mr. and Mrs. William
D. Wolfe of 36 West Third Street,
Bethlehem, has arrived here recent-
ly to complete the last lap of his
flight training. The fact that his
civilian occupation was a radio elec-
trician at the Middleton Airport,
and the sightseeing ride he took at
the Allentown-Bethlehem Airport,
probably decided young Wolfe on a
career "in the sky."
