

Schroeter, Carl H.

## Liberated

MAY 29 1945

Word was received Friday by Mr. and Mrs. Alfred Schroeter, 443 Rennig Street, from their son, Pfc. Carl A. Schroeter, missing since December 16, 1944, that he was a prisoner of war in Germany and was liberated by the Russians on April 22.

Pfc. Schroeter stated that he had a pretty rough life. "They treated us rotten. I still have an infected neck and right hand and they wouldn't give me any treatment. They fed us starvation rations. I weigh between 90 and 100 pounds. Will be glad to get home."
