

Donatelli, Fred

Word has been received here by Mr. and Mrs. Vito Schaivone, of Dante Street, Roseto, that their son, Fred Donatelli, has been advanced to the rank of Staff Sergeant. S-Sgt. Donatelli entered the United States Army on April 29, 1942, and has been overseas for the past 14 months. He saw service in Africa and is presently on active duty in Italy. He trained with the United States Army Air Forces at Keesler Field, Miss., and was later sent to Drew Field, Fla. From there he was sent into foreign service. In a recent letter to his family in Roseto, Sgt. Donatelli explained that he is planning to visit parts of Italy, where he believes he will be able to locate some of his relatives or relatives of people in his home town.
