

## **“Hopefully she will return the money” (63)**

The Bethlehem Gadfly Candidates for election, Serious Issues May 21, 2019

*(63rd in a series of posts on candidates for election)*

*Steven Diamond, DO, MBA is a Medical Examiner of Hunterdon County, NJ, and a forensic pathologist. He is a board member of multiple international start-up companies and is the Medical Director of clinical trials laboratories.*

Gadfly:

As a physician, I have been taught that you never put yourself in a position where your decisions are questioned as self-serving. I believe the recipient of the Callahan money shows poor ethical understanding.

Is this a sign of how that person will function on the council? Hopefully she will return the money.

Steve
