

Absentee ballot deadline looms

The Bethlehem Gadfly Uncategorized May 12, 2019

Vote Tuesday May 21

Voting and, more importantly, informed voting is a big part of the Gadfly project.

Gadfly and the City Council candidates have spent a lot of time presenting information to you on which to make informed choices.

If you can't be physically present, you can submit an absentee ballot.

The deadline for picking up the ballot is a week before the election.

That means if you need an absentee ballot, you should do it tomorrow, Monday, May 13.

Don't be an election pooper.

Gadfly thanks to follower Kate for a reminder about this.
