## Lehigh Valley Good Neighbors Alliance

From our scintillating Editor-At-Large, John Galt

CALLING ALL PATRIOTS!!

BETHLEHEM NEEDS YOU!!

We have some crucial races coming up that will elect individuals into positions where they will make big decisions for our entire community. Local races are some of the most important elections you can vote in.

They also provide exciting opportunities to participate in public service. It has become transparently clear, especially this year, that we need a change on Bethlehem City Council.

Bethlehem City Council has become radically unbalanced with Marxist sympathizers.

As a prominent example, it's concerning that it only took a small group of loud leftists to press Council members to advocate for defunding the police which they then pursued without question until the activism of the LV Good Neighbors community stopped them in their tracks.

When the Bethlehem community fought back through passionate emails, phone calls, petitions, and displaying support police signs, we received threatening, deceptive, manipulative, angry and defensive responses from council members. That's how incredibly arrogant and bullying they have become. How dare we accuse them of not supporting the police (when in fact it's documented from an increasing chorus of highly placed, credible sources that defunding the police was precisely what they were and still are planning.)

And now, it has come to our attention that Councilman Willie Reynolds participated in a recent Zoom meeting with the same Marxist group of callers who were pushing to abolish the police. Willie shared guidance on how to run for City Council (remember this when he runs for Mayor).

Slick Willie has a master plan for you. He plans to run for mayor this year and pack city council with even more radical leftists than are there now.

As we think about the values that are important to our community, including and beyond public safety, do you think these individuals would have your best interests in mind as a constituent? If they run unopposed, it won't matter.

Consider this a CALL TO ACTION. If you or someone you know, has an interest in running for City Council — please raise your hand. You don't

have to do it alone, there are people ready to help with getting signatures, fundraising, and volunteers for your campaign. If others would like to help — the more the merrier. WE CAN DO THIS TOGETHER.
