Final registration period for boys who became 18 years old since July 1 began today at the offices of Local Selective Service Boards. Those who must register until the end of the business day next Thursday, December 31, are boys who became 18 years between November 1 and December 31 inclusive.

The second registration period, for boys who became 18 between September 1 and October 31, ended Thursday. The registration is being carried out under the sixth proclamation of President Roosevelt, which also provides that beginning January 1, 1943, all males must register for Selective Service on their eighteenth birthday.

One youth was enrolled today at Bethlehem Board No. 3, second floor of the DPA Building, Eighth Avenue, as the final registration period began, to make a total of 39 enrolled since registration began.
