

Bennett A. Anderson m

**Sgt. Bennett Anderson  
At Radio School**

SEP 5 1945

Sgt. Bennett A. Anderson of 1726 East Thirteenth Street, Bethlehem, has been assigned to the Air Transport Command's Ferrying Division base near Reno, Nev., where he will pursue a course of study at the Advanced Radio Training Unit.

On completion of the course, Sgt. Anderson will be qualified to operate and maintain the radio equipment on a C-46 Curtiss Commando, largest twin-engined transport plane in the world, assisting in the task of reconversion to peacetime activities.
