CAPT. JOSEPH A. LIPSKY

Captain Lipsky entered the Army on March 6, 1942 and was sent to Fort McClellan, Ala. A graduate of Bethlehem High, he was a three-letter sportsman, playing baseball, basketball and football. In the former he was catcher, on the court he was a guard and on the gridiron, was center. He played under Prendergast and Emery and graduated in 1930.

At Western Maryland University he was also a three-letter man in the same trio of sports and in the same three spots. In 1935, the year he graduated, he was selected all-star center among Maryland teams. Dick Harlow was coach in those years.

In local amateur sports, particularly baseball, Captain Lipsky was well-known, playing with the Atlantics, the Monocacy, Holy Rosary and St. Stanislaus nines. He also was coach of these outfits.

He was employed by the Bethlehem Steel Company in the blast furnace department as a foreman before going into the Army.
