

Gadfly's tail on the trail report

The Bethlehem Gadfly Fun Stuff, Local Color, Walkability and Bikeability July 1, 2019

(Latest in a series of posts on Walkability and Bikeability)

Are you keeping fit?

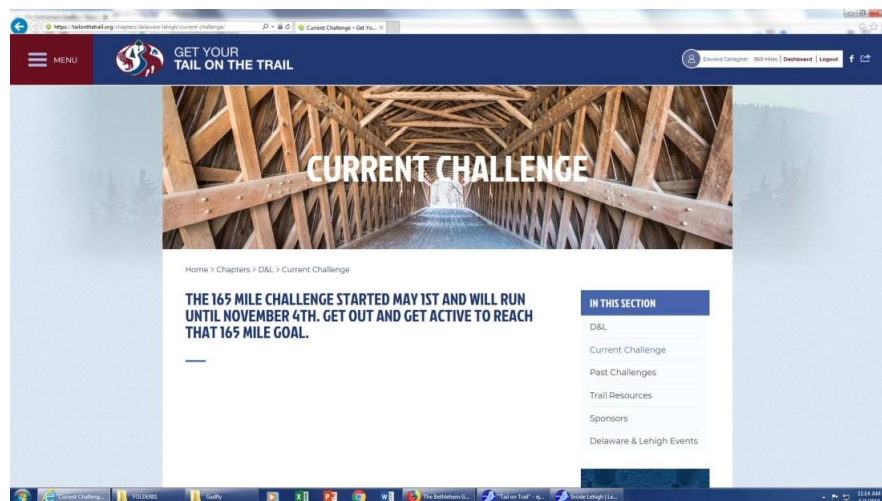

After a poor start in May, Gadfly stepped it up in June, and is now on pace to double the Tail on the Trail 165-mile challenge. Just as he planned.

Been taking advantage of some beautiful weather. Mainly on the Delaware & Lehigh Trail. And mainly heading Allentown-way.

Hoping to live to see a junction bridge where he can cross the river.

Not too late to start if you aren't in.
