

Bolza, Michael

At Liberator Base

SEP 1 1944

Sgt. Michael Bolza, 711 Wyandotte Street, works in the Ordnance section at a Liberator base in England. He has been overseas with the Eighth Air Force for the past two years and knows the importance of teamwork between the men that pilot the bombers, and those that keep them in order.

This group participated in the first breathtaking low level attack on the Ploesti oil fields in Romania and numerous other European objectives.
