# Draft Board 1 Sends Largest Contingent Yet

## 32 P.C. of Inductees Were Volunteers; Went to Allentown

Selectees sent to the Allentown Induction Board yesterday by Local Draft Board No. 1, were chosen for services in the Army, Navy and Marine Corps. It was the board's largest contingent since the inauguration of the selective service law.

Of yesterday's group, 32 per cent were volunteers, it was learned at the board's headquarters today. Before the selectees left for Allentown, four young men who had not been included in the quota applied at the headquarters for permission to accompany them. Their request was refused on the grounds that the quota was completed. However, this quartet will be included in the board's August quota.
