**Pfc. Wm. Clapp,
East Bangor,
Seriously Wounded**

July 31 1944
The brothers and sisters of Pfc. William H. Clapp, known to all his friends as "Joe", South Broad Street, East Bangor, received a telegram from the War Department Saturday evening informing them he was seriously wounded in France July 9.

His sister-in-law, Mrs. Robert Clapp, received a letter from him last week in which he said everything was going OK and the French people were glad to see the American soldiers.

He has three brothers in the service, Robert Clapp, S. 1-C, Fort Pierce, Fla.; Pfc. Herbert Clapp, somewhere in the South Pacific, and James Clapp, S. 2-C, Bainbridge, Maryland.
