My Bethlehem PA App

Wednesday, January 6, 2021

Mayor Bob Donchez announced today the availability of the new My Bethlehem PA App. “The My Bethlehem PA App provides access to information regarding COVID-19, Lehigh County and Northampton County Crisis Intervention, Parking, the Bethlehem Service Center to register or report a problem and information for those visiting our wonderful City, to name a few,” Donchez said. All you need to do to download the app on your Apple or Android phone is go to the App Store, type in My Bethlehem PA, and download it. There is no fee to download the App.
