

Bolec, Steve J.

Commended by Skipper

Steve J. Bolec, Boatswain's Mate 1/C, 29, USNR, has received a commendation from Capt. W. E. Mullan, captain of the USS San Diego, an antiaircraft cruiser, for excellent performance of duty during crucial periods before the surrender of the Japanese. Bolec took part in almost every operation since the San Diego was commissioned, and climaxed his war role by entering Tokyo Bay with American occupation forces.
