WAC Returns To Duty

Corporal Technician Fifth Grade Julia V. Mikletz, daughter of Mr. and Mrs. Julius Mikletz, 1525 Main Street, Northampton, has returned to her station at Williams Field, Chandler, Ariz., after spending a five-day visit with her parents in their home.

Corporal Mikletz enlisted in the WAC and is assigned to the weather office at that base. Her visit took place upon conclusion of her duties as a funeral escort for a fellow member of the WAC in Poughkeepsie, N. Y.

The latter, a good friend of Corporal Mikletz, was stationed with her and was killed when she jumped six stories from a burning hotel room. Both had received their basic training together in Daytona Beach, Fla.
