Two More Bethlehem Soldiers Arrive Home

Speeded toward home from overseas as part of the Green Project, which calls for the Air Transport Command's Caribbean Division to fly 30,000 returnees from Europe to Miami Army Air Field each month, two more Bethlehem men are back in the States.

T/Sgt. Edward H. Gregory of 547 Park Place, served 44 months overseas with an Ammunition Ordnance Division. In less than 24 hours he left for Camp Blanding, Fla., by rail and was headed for a reception station near home.

Sgt. Al. V. Boden has reported to the Green Project Distribution Center at Camp Blanding. He was in a recent shipment of men who were returned to the States from the European Theater of Operations. His home address is on Route 3, this city.
