February 5, 8p [online event](#)

Theater Grottesco (Santa Fe, NM) shares a webcast of their acclaimed production PIE - a comedic, magical exploration of what happens when you don't know what to do next, featuring a panel of clowns and an accidental reset of the universe. Immediately following the performance, there will be a livestreamed talkback session where Grottesco artists respond to audience questions.

Check out a preview of the show [here!](#)

\$10/household  
Tickets at 610.867.1689 or [online](#)
