

Sterner, Edward P.

**Pvt. Edward Sterner
Attends Science School**

SEP 15 1945

HQ., ASSEMBLY AREA COMMAND, France—Pvt. Edward P. Sterner, Bethlehem, stationed at Camp Baltimore near Reims, France, is attending an eight week course in science at the Army University Center at Biarritz, France. The university, the second set up by the Army in the European theater, enables soldiers to continue their interrupted civilian studies while awaiting return to America.

Pvt. Sterner, who lives at 520 Tenth Avenue, came overseas in June, 1944, and was wounded in combat with the Fourth Infantry Division. He holds the Purple Heart and the Rhineland battle participation star.

Since the war in Europe ended, Pvt. Sterner has been working with the Headquarters Company of Camp Baltimore in the Suippes Sub-Area of the Assembly Area Command. Many thousands of American troops have been processed through the camp on their way for shipment out of the European theater.
