### Brothers In Service

Sgt. Andrew P. Nicholson recently informed his parents of his safe arrival in France. He told of having been in actual combat, and of his being sent to a rest area.

Another son, Stanley F. Nicholson Jr., will complete one year of service this month. He has just been promoted to corporal technician fifth grade, and is awaiting further orders for embarking to a POE.

Both boys are sons of Mr. and Mrs. Stanley F. Nicholson Sr., of 112 West Market Street.
