- kicking off the Climate Action Plan Monday April 12 **[\[TODAY AT 4!\]](#)**
- will give a summary of the very comprehensive plan
- will create a series of events throughout the year in order to cover everything
- Monday will talk about principles in the plan: equity, resilience, community health, sustainable/inclusive community, community-wide energy reduction, an educational climate challenge program, municipal operations, an environmental justice council, a Green Ribbon Commission, a petition for people to show support
- priority is an office of sustainability within City Hall
- will formalize working groups
- will talk about implementation and set out goals for next two years
