

Trend, Harry K.

**Capt. Trend
To Get Degrees
In California**

JUL 14 1943

Capt. Harry K. Trend, now at the U. S. Marine Corps Air Station at Mojave, Cal., is expected to complete his membership in Star Encampment No. 139, IOOF, this city, by receiving the Golden Rule and Royal Purple degrees in a California encampment, probably Bakersfield, No. 92, next Monday evening, July 19.

Capt. Trend was admitted to the local organization and received his Patriarchal degree some time prior to his leaving to enter the service.

Two new members were welcomed by Star Encampment at its session Tuesday evening, in the Odd Fellows Building, when Robert D. Arner and William F. Nau, both of Allentown, and both former officers of Unity Encampment No. 12, that city, were formally introduced. Other business at the session was largely routine, with Senior Warden Roy H. Smith presiding.
