Gadfly's not sure he sees anything "hot" on the agenda.

General interest for us will probably be in reports by the Mayor, Council President, and the Public Safety Committee chair — and in new business.

Gadfly would hope for some sense of plan of future developments following up the Public Safety Committee meeting on August 11 as well as some Council feedback on that meeting.

But there's always the unexpected.

As long as he has flutter in his wings, Gadfly urges "attending" City Council.

Be informed. Be involved.
