### DRAFT BOARD ENLISTS

#### THREE LOCAL MEN

1942  
Three young men were enlisted on Wednesday at the office of Local Draft Board No. 1, according to an announcement today. The recruiting officer is Chief Clerk Joseph Silverman, and whether he will be ranked as a "Sarg" or "Louie" or perhaps something better, only time will tell.

The trio who signed on the dotted line were John Joseph Hoch, 718 Ontario Street, army; Thomas Ridgick, 326 Mechanic Street, navy, and Louis Cantelmi, 203 East Packer Avenue, marines.

These men must defray their own expenses to designated points for their physical examination, as there are no provisions for railroad, trolley or bus fare, or in fact, for any means of travel.

It was also announced today that enlistments in the navy are closed for the month of December. All other branches of the armed forces are open for enlistments.
