

Duh, Frank

HOW ABOUT THAT LETTER?

"Dear Editor", writes Pvt. Frank Duh, member of a Military Police unit, from "somewhere" in Hawaii, "Receiving the B. G. T. regularly even if I am so far from home. It sure is very entertaining and helps a fellow keep in touch with things back home. I wish some of the other boys were getting it because I am sure it would help keep up their morale. **MAR 26 1943**

"I wish all the boys who left would be stationed together instead of being broken up and sent to other parts of the islands. I hear from

many of the hometown boys and it seems as though they don't hear from home as often as they should.

"Please tell the folks back home to write more often to their 'loved ones'. I am sure it will be a great help to them."
