

Love, Henry

Home On Furlough

Part of an all-Navy family, Henry Love, EM3C and Richard Love, SM1C, the sons of Mr. and Mrs. James Love, Sr., of Danielsville, are enjoying furloughs at the home of their parents. This is the first meeting of the boys in two and a half years.

SEP 23 1944
Henry Love has been stationed in England for the past 16 months while Richard has been in the South Pacific for the past 25 months. Both have 30-day leaves.

There is just one note missing in the reunion, the absence of their two brothers, James Love, Jr., EM2C, and Robert S2C.
